

THE RISE AND FALL OF A MIDDLE POWER

Canadian Diplomacy from King to Mulroney

Arthur Andrew

Rise And Fall Of A Middle Power Canadian Diplomacy From King To Mulroney

Arthur Andrew

Rise And Fall Of A Middle Power Canadian Diplomacy From King To Mulroney:

Canada's Department of External Affairs: Coming of age, 1946-1968 John Hilliker, Donald Barry, 1990 The second volume of the official history of the Department of External Affairs Coming of Age covers a period of remarkable expansion and achievement in Canadian external relations

The Rise and Fall of a Middle Power Arthur Andrew, 1993 Arthur Andrew served Canada's Department of External Affairs for thirty years his first hand knowledge of the department informs this thoughtful look at Canada's role in the world during the last fifty years Andrew believes that between the end of World War II and the early sixties Canada had created the role of a middle power for itself in which it made a difference internationally Today Andrew sees Canada's reputation fading as it accepts the part of a client state within the orbit of the US but suggests that if it chose Canada could regain its middle power role Published in 1993 The Rise and Fall of a Middle Power is a penetrating and thought provoking analysis of Canada's place in the world order

Die Außenpolitik Kanadas Wilfried von Bredow, 2013-03-08 Die Politik Kanadas ist hierzulande weitgehend unbekannt obwohl dieses Land zu den erfolgreichsten der Welt gehört Das gilt ebenso für seine Außenpolitik Mit diesem Band wird deshalb eine Lücke geschlossen Enthält einerseits einen Überblick zu den Voraussetzungen Schwerpunkten und Besonderheiten der kanadischen Außenpolitik wie sie sich nach dem Zweiten Weltkrieg entwickelt hat Andererseits werden für wichtige Einzelfelder kanadischer Politik im internationalen System der Gegenwart die zentralen Konzepte Vorstellungen und Aktionsmuster vorgestellt und analysiert Insgesamt entsteht das Bild einer freundlichen Mittelmacht deren Kultur des Multilateralismus auch zum Vergleich mit der Außenpolitik der Bundesrepublik einlädt

Statesmen, Strategists, and Diplomats Patrice Dutil, 2023-06-15 Foreign policy is a tricky business Typically challenges and proposed solutions are perceived as disparate unless a leader can amass enough support for an idea that creates alignment And because the prime minister is typically the one proposing that idea Canadian foreign policy can be analyzed through the actions of these leaders Statesmen Strategists and Diplomats explores how prime ministers from Sir John A Macdonald to Justin Trudeau have shaped foreign policy by manipulating government structures adopting and rejecting options and imprinting their personalities on the process Contributors consider the impact of a wide range of policy decisions increasing or decreasing department budgets forming or ending alliances and pursuing trade relationships particularly as these choices affected the bureaucracies that deliver foreign policy diplomatically and militarily This innovative focus is destined to trigger a new appreciation for the formidable personal attention and acuity involved in a successful approach to external affairs

Of Peace and Power Karsten Jung, 2009 More than 50 years after Canada played an instrumental role in its inception peacekeeping has once again returned to the center of the national foreign policy debate Having participated in every peacekeeping operation set up during the Cold War and lived through the fundamental changes the activity has undergone in the 1990s Ottawa is currently struggling to define a viable approach to peacekeeping for the 21st century As a timely contribution to this effort the study reveals the overt and subtle ways in which Canada's

commitment to peacekeeping has contributed to the promotion of vital national interests in the past and might continue to do so in the future

Diplomatic Departures Kim R. Nossal, Nelson Michaud, 2011-11-01 During the nine years that the Conservatives under Brian Mulroney held power in Ottawa Canadian foreign policy underwent a series of important departures from established policy Some of these changes mirrored the major transformations in global politics that occurred during this period as the Berlin Wall was breached the Cold War came to an end and a globalized economy emerged But some of the changes were the results of initiatives taken by the Conservative government The first major scholarly examination of the foreign policy of this period this collection explores and analyzes the many departures from traditional Canadian statecraft that took place during the Mulroney Conservative era free trade with the U S a continentalized energy policy initiatives over the environment and the Arctic the withdrawal of Canadian forces from Europe and the transformation of peacekeeping into peacemaking

Unlikely Diplomats Isabel Campbell, 2013-11-18 In 1951 Canada sent troops to western Europe to support its NATO allies The brigade helped Canada establish its international status In private however Canadian officials and military leaders expressed grave doubts about NATO s strategies and operational plans Despite these reservations they sent military families overseas and implemented personnel policies that permanently changed the distribution of the defence budget and the character of the Canadian Army By exposing the hidden agendas that pushed NATO s members in different directions even as they presented a united front this original account of the evolution of the Canadian Army from a small training cadre to a truly national force offers a new perspective on military policy and diplomacy in the Cold War era

The Rise and Fall of a Middle Power Arthur Andrew, 1993-01-01 I Age of Innocence 1945 1956 1 The Dear Department 2 The Middle Power Model II Middle Age 1956 1968 3 Under New Management 4 Special Relationships 5 Mike Pearson PM III Age of Reasons 1968 1984 6 Enter Trudeau Frowning 7 Sharp Impressions 8 Spies and Soldiers 9 Exit Trudeau with Gestures IV Decision Times 1984 and All That 10 Zeitgeist 11 Other Options 12 And a New Earth

Krieg - Diplomatie - Ideologie Clemens Koehn, 2007 Die Studie analysiert die auswärtige Politik mittlerer Mächte Aitolier und Achaerbund Rhodos Pergamon in hellenistischer Zeit unter systematischen Gesichtspunkten Im Mittelpunkt stehen dabei ideologische Aspekte der Kriegführung und Bündnisdiplomatie Diese Mächte die nicht über die Ressourcen der grossen Diadochenmonarchien verfügten aber in dauernder machtpolitischer Konkurrenz zu ihnen standen mussten ihre Politik in einem sehr hohen Mass ideologisieren um bei potentiellen Bündnispartnern auf grosstmögliche Akzeptanz für ihr Handeln zu treffen So ergibt sich in den Quellen das Bild einer totalen Gegensätzlichkeit zwischen machtpolitischen Ambitionen und ideologischer Selbstdarstellung die doch in Wahrheit in einem engen Zusammenhang standen

Canada's Global Engagements and Relations with India Abdul Nafey, 2007 Papers presented at the International Conference on Canada s Global Engagements held at New Delhi in May 2002
