Shadow Play The Rats Two Novellas:

Shadow Play ; The Rats José Bianco, 1983 Complicated relationship triangles plague the characters of these two novellas by Latin American writer Jose Bianco In Shadow Play three sections give focus to three different characters in turn and each battles the dangerous balance between love and loss as well as the varying forms in which the two sides can manifest The Rats reveals the complex desires and motives involved in a twisted family secret Intensely psychological there is more than one mystery at work in the story *Latin American Writers on Gay and Lesbian Themes* David William Foster, 1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe *The Noé Jitrik Reader* Noe Jitrik, 2005-05-04 Collection of groundbreaking essays by Noe Jitrik an important critic of Latin American literature **Encyclopedia of Contemporary Latin American and Caribbean Cultures** Daniel Balderston, Mike Gonzalez, Ana M.
