TikTok For Dummies Jesse Stay, 2021-04-27 It's not too late to get on the TikTok train. You may know TikTok as the home of the latest dance crazes and cute puppy videos. But do you know how to go about harnessing the power of its massive audience for more than showing off your own dance moves? And are you too late to the TikTok game to make an impact? In TikTok For Dummies, expert digital strategist and author Jesse Stay delivers an easy-to-read and robust discussion of how you can engage with TikTok's millions of users in a fun and productive way. He'll walk you through the steps of creating and securing an account, finding the best content to engage with, and creating your own videos that reflect you or your business in the best possible light. You'll discover how to install the app and create a profile that attracts followers and views. Learn about the latest security issues and keep yourself safe on the platform. Find the best content that's most relevant to you so you can engage with the community. Create your own videos that resonate with the TikTok audience and have viral potential. Perfect for anyone ready to dive into the world of TikTok, either for fun or for professional reasons, TikTok For Dummies is the easiest and most reliable way to go beyond the dances and learn the ins and outs of the popular app. **Top of the News**, 1970

Mass Media and Impact of Fake News on Supply Chains Bukhari, Syed Danish, Zafar, Irfan, 2025-06-05 In today's interconnected global economy, mass media plays a powerful yet double-edged role in shaping public perception, business decisions, and government policy. The rise of fake news has introduced serious vulnerabilities into supply chains, causing misinformation-driven disruptions, damaged reputations, and shaken consumer confidence. These effects can ripple across industries, triggering shortages, price volatility, and long-term economic instability. Understanding how misinformation spreads and impacts each link in the supply chain is essential for building resilient, transparent, and responsive systems. Tackling this issue requires collaboration among businesses, governments, and the public to improve media literacy, promote transparency, and develop effective countermeasures. Mass Media and Impact of Fake News on Supply Chains reviews major connections between mass media, fake news, effects, and implications for supply chains. It examines the impact of mass media on supply chain stakeholders, the businesses and their suppliers, the government, and the customers. Covering topics such as artificial intelligence, AI, global inflation, and traditional media, this book is an excellent resource for researchers, professionals, academicians, students, business leaders, media and communications experts, and more. **Managing and Using**
