Soul in Sports** Ken Reed,2016-09-09 Imagine Imagine the world of sports without ego No more trashtalking showboating cheating cheap shots or running up the score No more wackadoo parents and coaches ruining youth sports No more prima donna athletes with an inflated view of their own importance The win at all costs mentality Gone The me first athlete History Greedy owners that put their wallets ahead of whats best for the game Bye bye As John Lennon once sang Imagine Sports have always brought out the best and worst in people One of the compelling aspects of sports is that character is openly on display Problem is the ugly side of sports is getting way too loud these days The ego in sports has run amok And as the ego takes center stage win at all costs WAAC and profit at all costs PAAC mentalities and behaviors begin to dominate Things like sportsmanship start to take a backseat Nevertheless despite all the ego and greed based negativity in todays sports world there are still some pearls out there little stories in the back of the sports section that stir the soul While too many sports center headlines bring forth feelings of shame its the snippets about obscure athletes that bless us with shining examples of the human spirit and give us reason for hope This is a book of short essays about sport at its best and sport at its worst Hopefully the book is somewhat entertaining and occasionally even enlightening Ultimately however the books goal is to inspire those who love sports to find a way to make the sports world a better place to be And that means a place with a lot less ego and a lot more soul Because in the big picture it really is about how you play the game **Rivalry and Group Behavior Among Consumers and Brands** Cody T.
