

Financial Aid Rejection Letter

November 29, 2054

Amelia Pagac
123 Maple Avenue
Hometown, NY 12345

Dear Ms. Pagac,

I hope this letter finds you well. Thank you for your application for financial aid at **[Your Company Name]**. We appreciate the time and effort you put into your application and understand the importance of securing financial support for your educational journey.

After careful consideration of all applications received, we regret to inform you that we are unable to offer financial aid at this time. The competition for financial aid this year has been exceptionally strong, and we faced difficult decisions as we reviewed all applications. Unfortunately, due to limited funding and the high volume of qualified applicants, we are unable to extend an offer of assistance.

We encourage you to explore other sources of funding, such as external scholarships, grants, or private loans, which may be available through local or national organizations. Additionally, please feel free to reach out to our financial aid office if you have any questions or need guidance in exploring other options.
