Digital Scholarship in the Tenure, Promotion and Review Process Deborah Lines Andersen, 2015-04-15 To receive tenure college and university professors have long been required to write scholarly monographs or articles engage in serious research and teach effectively In recent years however the emergence of digital scholarship has revolutionized and complicated the picture in unexpected ways as new electronic media have enabled academics to communicate scholarly material in innovative formats such as websites PowerPoint presentations CD ROMs and virtual reality tours Despite this growing output of sophisticated digital scholarship there has been little attempt to set standards define basic issues and concepts or integrate electronic scholarship into the tenure debate This collection of cutting edge articles marks the first effort to evaluate the place of digital scholarship in the tenure promotion and review process As a primer aimed at scholars faculty members and department chairs in the humanities social sciences and other fields as well as deans provosts and university administrators this collection examines the evolution of nontraditional scholarship analyzes the various formats and suggests guidelines for assessment on a scholarly level It also examines the impact of digital scholarship in the classroom and academy and explores new directions for the future This book will help shape policy in the murky world of tenure review and could become a central text for scholars and administrators everywhere How and where to Get Scholarships & Loans Juvenal Londoño Angel, 1968 Bulletin of the Society for the Promotion of Engineering Education, 1919 *How to Pass National Merit Scholarship Tests* Larry Van Treese, Harry A. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
