Sixty Miles From Contentment M. H. Dunlop, 2019-07-11 *Sixty Miles from Contentment* is a revitalization of a pulsating American scene in the nineteenth century Drawing on the work of travel writers from America's own East Coast and from fourteen other countries it offers a witty and irreverent look at the wild Midwest in its heyday **The Railroad History Index, 1921-1984**, 1985 **International Directory of Company Histories** Paula Kepos, Thomas Derdak, 1992 This reference text provides full histories of the world's largest and most influential companies and includes details of basic company statistics and principle subsidiaries This volume examines industries involved in retail rubber telecommunications textiles transportation and tobacco *Owen Davies Book Sale Catalogs* Owen Davies (Firm), 1948 **The Small City and Regional Community** Robert P. Wolensky, Edward J. Miller, 1981-12 Railroads in the Midwest H. Roger Grant, 2025-08-05 Discover how railroad companies in America's heartland developed a monumental network that spanned nearly 70 000 route miles Over a century a wide array of carriers ranging from short lines to trunk roads spread through the Midwest and represented over 35% of the country's rail mileage in the 1920s *Railroads in the Midwest* is a portrait of two premier rail hub rivals Chicago and St Louis and of Iowa and Ohio which boasted the highest line densities Before World War I Iowa railroad officials bragged that the Hawkeye State had a depot and agent located no farther than thirteen miles from any point within its borders In *Railroads in the Midwest An Epic History* renowned historian H Roger Grant draws on fifty years of research into America's celebrated railroad history to examine what effect railroads had in the heartland and what has happened to them since the early twentieth century Pioneer Stories of Custer County, Nebraska, 1936 Early in 1936 prizes were offered for pioneer stories to be published in the *Chief* 105 stories were received and published These stories reprinted in book form deal with pioneer life in almost every neighborhood of the county and connect the names of more than 1 800 settlers of the early days Intro signed Emerson R Purcell *Chicago & North Western Railway* Tom Murray, By the time it was merged into the Union Pacific in 1995 the Chicago North Western was one of the nation's oldest surviving railroads a testament to the Midwestern stoicism with which it had gone about its business since 1859 This illustrated history chronicles how C NW emerged from a collection of regional carriers to become a strategic link between eastern railroads and the West Author Tom Murray traces the railroad's expansion as it extended secondary lines throughout the Midwest He also explores C NW's joint ownership of UP passenger trains and describes how the railroad answered challenges from regional rivals with the 400 series of passenger trains As fascinating as the story are the hundreds of accompanying illustrations historical photographs archival images route maps and period print ads The result is an entertaining and informative history of an iconic Midwestern railroad a narrative that spans the decades from the 1850s to the 1990s and takes in steam and diesel motive power freight and passenger operations and all the key characters events and deals that figured in the Chicago North Western's rise and eventual demise **1985 Iowa Railroad Analysis Update** Iowa.
