Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library

Journal **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **The Publishers Weekly** ,1893

What is a Book? Joseph A. Dane, 2012 Among other issues Dane addresses such basic questions as How do students bibliographers and collectors discuss these things And when is it legitimate to generalize on the basis of particular examples Dane considers each issue in terms of a practical example or question a reader might confront How do you identify books on the basis of typography What is the status of paper evidence How are the various elements on the page defined What are the implications of the images available in an online database And significantly how does a scholar s personal experience with books challenge or conform to the standard language of book history and bibliography Dane s accessible and lively tour of the field is a useful guide for all students of book history from the beginner to the specialist Written with wit and acuity Joseph A Dane s What Is a Book extends his project of teaching aspects of book history to the specialist and nonspecialist reader alike
