Roll On Columbia Bk 1 To The Pacific:

To the Pacific Bill Gulick, 1997 Author Bill Gulick tells the story of the Columbia River basin from the establishment of Fort Astoria in 1811 to the building of Grand Coulee Dam and the disastrous flood of 1948 The story is told through five generations of the Warrens a sprawling family of river bar pilots steamboat captains and geologists whose own history is integrally entwined with that of the river The first volume of this epic trilogy *To the Pacific* begins in 1811 with Thomas Warren and his sixteen year old son Ben embarking on the Tonquin John Jacob Astor s ship bound for the Northwest via the perilous Cape Horn route to establish Fort Astoria and a fur empire at the mouth of the Columbia River *Roll On Columbia* flows like the river itself blending actual events with the Warren family history The Native Americans British seafarers mountain men and fur trappers all come alive in this story Extensive research in addition to the author s forty years of living near and writing about the watersheds of the Columbia all contribute to this highly accurate portrayal of the Great Northwest

American West addresses gender and sexuality from and across diverse and divergent methodologies. The volume features leading and newer scholars whose essays connect interdisciplinary fields including Indigenous Studies, Latinx and Asian American Studies, Western American Studies, and Queer Feminist and Gender Studies. Through innovative methodologies and reclaimed archives of knowledge, contributors model fresh frameworks for thinking about relations of power and place, gender and genre, settler colonization and decolonial resistance. Even as they reckon with the ongoing gendered and racialized violence at the core of the American West, contributors forge new lexicons for imagining alternative Western futures. This pathbreaking collection will be invaluable to scholars and students studying the origins, myths, histories, and legacies of the American West. This is a foundational collection that will become invaluable to scholars and students across a range of disciplines including Gender and Sexuality Studies, Literary Studies, Indigenous Studies, and Latinx Studies.
