Adidas Mlb Playoffs Latest:

The Business of Sports Mark Conrad, 2011-02-02 This book explores the business aspect of sports with an orientation to those topics that are most relevant to journalists providing the foundation for understanding the various parts of the sports business. Moving beyond sports writing, this text offers a distinct perspective on professional college and international sports organizations, structure, governance, labor issues, and other business factors within the sports community. Written clearly and compellingly, *The Business of Sports* includes cases, historical, current, and hypothetical, to illustrate how business concerns play a role in the reporting of sports. New features for the second edition include updates throughout, including disciplinary policies throughout the major sports leagues, expanded discussion of intellectual property issues, and merchandising new sections on ethical issues in sports aimed at journalists. Offering critical insights on the business of sports, this text is a required resource for sports journalists and students in sports journalism.

Licensing Update 2012 Gregory J. Battersby, 2012-04-26 *Licensing Update 2012* is the definitive one-volume handbook covering the year's most significant cases and developments in licensing. It identifies critical trends that licensing professionals and practitioners must understand thoroughly in this rapidly evolving area. Up-to-date, incisive, analytical, and essential, this valuable manual helps you keep up with the explosive pace of licensing with guidance from licensing experts in their area of specialty. You'll find in-depth insights and valuable analysis on recent developments and important trends of licensing issues from leading practitioners who are experts in their field. *Licensing Update 2012* is organized as a handy, quick reference to help you save time in structuring stronger agreements to protect your licensing interest. You'll get extensive coverage of developments in audit and accounting practices, tax considerations, antitrust concerns, and many of the bottom-line issues that you need to address to ensure day-to-day profitability of your license agreements.

The Sporting News, 1976-04 **Brandweek**, 2008 **Yells for Ourselves** Matthew Callan, 2019-03-12 During the 1990s, as New York was transformed from a crumbling city into a vibrant metropolis, the New York Mets were anything but vibrant. Beginning in 1999, the team waged a battle to recapture the hearts of New York baseball fans from their crosstown rivals, and they came closer to succeeding than anyone dared dream. At the same time, Mayor Rudy Giuliani, architect of this new New York, and those rivals' biggest cheerleader were engaged in his own battles to win a Senate seat and to save his sagging legacy as savior of the city. *Yells For Ourselves* chronicles the 1999 and 2000 seasons of the New York Mets and explores how local and national politics were interwoven with the obsessions of a baseball mad city. It paints a picture of this forgotten time in the history of baseball and New York when new ballparks, rapid expansion, and enhanced training methods caused a home run explosion when rising free agent salaries separated teams into the Haves and Have Nots, and when a politico's answer to the question, Mets or Yankees, could make global headlines. Above all, *Yells For Ourselves* captures what happened when an underdog struggled to find an identity in a city with no room left for lovable losers.

Sports Business Management George Foster, Norm O'Reilly, Antonio Dávila, 2020-08-09 This new edition of
