113 diagrams and illustrations      **Dictionary of American Library Biography** Donald G. Davis, 2003-01-30 This second  
supplement to DALB the Dictionary of American Library Biography 1978 adds 77 notable deceased members of the library  
and archival communities to the 302 entries in the main volume and the 51 entries in the first supplement 1990 The second  
supplement includes primarily those figures who died between 1987 and the end of the year 2000 though some 13 entries  
provide sketches for notable persons whose death dates are somewhat earlier and who were not included in earlier works  
Among the entries are a number of African Americans and nearly one half of the entries are women Some 80 contributors  
from the United States and Canada provided sketches many based on original source material This supplement follows the  
practice and format of the earlier volumes though it allows presidents of the American Library Association to compete for  
inclusion with other nominations      **Resources in Education** ,1982      **Library Space Planning** Ruth A. Fraley, Carol Lee
