Uber B. Yasanthi Perera, Pia A. Albinsson, 2020-01-16 Uber is one of the most innovative companies of our time This book provides a detailed analysis of the company and its success and goes beyond the headlines about safety and culture Many of us are so accustomed to using Uber today that the name of the innovative ride sharing company has become a verb as in to Uber somewhere and yet Uber has been around only since 2010 Uber has disrupted the ride hailing industry from making it easier and more affordable to become an Uber driver than a cab driver to rating riders as well as drivers As an early pioneer in using technology to create a new business model and new efficiencies Uber is considered one of the most important case studies in the sharing economy However little in depth information exists on this innovative company This book traces Uber's origin and evolution in the face of competitive pressures discusses the company leadership and corporate culture addresses such controversies as rider and driver safety and sexual harassment of female employees and explores how the company is addressing these challenges Students of business entrepreneurs and anyone interested in the development and exponential growth of the sharing economy will benefit from reading this book

Duty of Care Dominic Pimenta, 2020-09-03 Beautifully written passionate and moving this is the book everyone should read about COVID 19 Kate Mosse Hard to put down Rachel Clarke Gripping humane eye opening and seriously tense Ian Dunt The first book to tell the full story of the COVID 19 pandemic from a doctor on the frontline ALL ROYALTIES FROM SALES GO TO HEROES A CHARITY PROTECTING AND SUPPORTING HEALTHCARE WORKERS On the 8th of February Dr Dominic Pimenta encountered his first suspected case of coronavirus Within a week he began wearing a mask on the tube and within a month he moved over to the Intensive Care Unit to help fight the virus From the initial whispers coming out of China and the collective hesitation to class this as a pandemic to full lockdown and the continued battle to treat whoever came through the doors Dr Pimenta tells the heroic stories of how the entire system shifted to tackle this outbreak and how ultimately the staff managed to save lives This incredible account captures the shock and surprise the panic and power of an unprecedented time and how at this moment of despair human generosity and kindness prevailed A startlingly personal account It can be described as a memoir a thriller or a horror story but it is really all at once Observer Reads like a thriller a first hand account of a group of individuals facing a terrible adversary but it also moved me sometimes to tears because it communicates the humanity of the patients as well as the NHS staff As with all great writing its honesty shines out Tim Walker An excellent book Moving and fascinating in equal measure Xand van Tulleken

Hide Your Children Liz Wheeler, 2023-09-26 Having conquered all the major institutions of our culture the left is closing in on its final frontier your children In this new book Liz Wheeler exposes where the forces of wokeness are at work and explains how parents can fight back for a change Everything is on the line Despite the occasional victory conservatives are on the defensive on every front of the culture wars especially America's schools Planned Parenthood is funding gender theory indoctrination groomer teachers are introducing youngsters to pornography Disney

executives are bragging about their queerness agenda and teacher s unions are poisoning young minds with racism If someone doesn t stand up and fight these ideas will be the norm for a new generation A distressing number of parents refuse to see how depraved our schools have become The next generation will determine the fate of the American experiment in ordered liberty Will they pass it on to their children or will we lose our nation forever Parents and their allies must go on the offensive in this existential fight Fortunately they have the truth on their side It is not too late [How to Stay Productive When the World Is Ending](#) Reductress,2023-05-30 A biting humor collection about the cult of productivity and the feeling of impending doom that comes with it from Reductress Juggling careers maintaining relationships managing side gigs and sustaining an engaging social media presence is hard and we re expected to do it all while battling the ever present feeling of existential dread against the backdrop of climate catastrophe an ongoing pandemic and social isolation From the editors and most popular writers of Reductress the only satirical women s magazine in publication How to Stay Productive When the World is Ending is a collection of essays how tos and inspirational graphics to help you laugh when staying both sane and productive in a commodified world feels impossible From Doing What You Love and Why That s Bad to Why I m Prioritizing My Career Over Finding a Better Career this collection perfectly skewers the indignities big and small of living through late stage capitalism *Trusting Tenley* Denise Wells,2019-11-17 My fianc e s death almost killed me It s been three years and I still can t move on Not with life And definitely not with love But our friends keep pushing me to date They say it is time So I give in to get them off my back One date with a girl I already don t like Tenley Hughes My plan To be the perfect gentleman yet still be the worst date of her life Then everyone will be happy and I can go back to misery not loving company Except the date isn t bad And it doesn t end at one Tropes Firefighter Second Chance Alpha Male Enemies to Lovers Office Romance Scars Tortured Hero Girl Squad [English Writers](#) Henry Morley,1889 [A Readable English Dictionary](#) David Milne,1888
