Peter Sinks In The Waters I Can Read:

The Faith to Walk on Water Lindsey Bethel, 2013-04 Sand between my toes the salt air wrapping around me like a warm summer blanket the crashing of waves and the meeting of sky and water The beach is where I see the handiwork of God As a young child it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14 It was there that I learned of faith the faith that requires you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily It is not enough to just get out of our comfort zones but now we need to learn to grow and walk toward Him constantly The Faith to Walk on Water takes a look at why standing still in our faith is no longer an option how doubt and fear are overcome by Jesus He does not watch from a distance but He is always there holding out His hand for us to take hold So what are you waiting for Take that step and walk on the water *So This Is Peace?* Frederick Grossman, 2014-04 As an old hippie Jesus freak I cannot help but question authority I have done so with established beliefs of major denominations I compare what denominations teach as sound doctrine and compare them to what the Bible the sole authority teaches in reality For example hell is accepted and taught as literal fire and eternal torment when Scripture actually reveals something opposite and totally different Water in the Word Winona Maxon, 2019-01-29 Can you write a praise song or poem like Moses and Miriam sang Joseph had many temptations how do you overcome bad influences The Israelites had many feasts to remember their past what traditions does your family celebrate Did Job's wife use bad language When Jonah washed up on shore did he look like Nineveh's man fish Dagon How do we get in Christ and is Jesus's resurrection important What is a 66 Club What does the word justification mean And much more These questions are answered by using the Scriptures NIV Bible 2011 as the guiding principle to learn lessons from Water in the Word Mrs Maxon a longtime Bible class teacher and grandmother wrote this workbook to help the young reader through teenagers learn life lessons from the Bible emphasizing stories using the theme of water Do you know a young person you can influence to love and serve the Lord for a lifetime This fifty two lesson only two pages each workbook is for you to help the younger generation It is jam packed with memory work short Bible reading selections research interviews and other activities including using a Bible atlas and coping with negative peer pressure in our culture The Bible presents a unique plan for our world our bodies and our salvation Join me your travel host through the Word of God which will become a journey of a lifetime *Surprised by Peace* Frederick Grossman, 2013-10-17 Shortly after being saved I was sitting on my porch enjoying the day Suddenly I felt an overwhelming feeling a special closeness with the God of Creation I tried to analyze this feeling and thought it must be a second work of grace I had heard about I called this experience divine unity As I spoke with mature believers I discovered they too had experienced this feeling it was called peace I had experienced times of peace but not this kind of peace This peace was supernatural I was later to learn this was Shalom or supernatural peace If there were no heaven this peace would be reward enough in and of itself It is my prayer that the readers of this book will come to faith believe in God and experience this

divine peace

Reading Old Testament Narrative as Christian Scripture Douglas S. Earl, 2017-03-03 Douglas Earl sets out a fresh perspective on understanding what is involved in reading Old Testament narrative as Christian Scripture. Earl considers various narratives as examples that model different interpretive challenges in the form of exegetical, ethical, historical, metaphysical, and theological difficulties. Using these examples, the significance of interpretive approaches focused on authorial intention, history of composition, canonical context, reception history, and reading context are considered in conjunction with spiritual, literary, structuralist, existential, historical, critical, and ethical critical approaches. Christian interpretation of Scripture as Scripture is shown to be an inherently ad hoc task understood as a rule-governed practice in Wittgenstein's sense: an established goal-directed activity for which no method, hermeneutical principle, or critical perspective discovers meaning or generates good interpretation. Good interpretation involves exploration of various construals of the world of the text using hermeneutics of tradition and critique of ideology. Ricoeur: The interpreter's task is to discern faithful readings and develop their significance in a given intellectual or cultural context. The interpretation of Scripture and its appropriation is seen to involve wisdom in forming judgments on a case-by-case basis, learned through examples and experience on what constitutes good interpretation and use. Earl shows how traditional hermeneutics and contemporary critical resources suggest that history, ethics, and theology can rarely be read off Old Testament narrative but also how Christians can appropriate ethically and historically problematic books such as Joshua faithfully. Earl adopts a minimalist approach to 1-2 Samuel and embraces a Trinitarian reading of Genesis 1.

A Wise Woman: A Wise Woman Builds Her House By a FOOL Who First Built on Sinking Sand Erin Thiele, 2025-07-04 Is your life built on the Rock or on Sinking Sand? Since founding Restore Ministries International, an online ministry for women, Erin Thiele has touched the hearts of thousands of women around the world. Her love for the Lord and her dedication to follow the uncompromised Word of God is evident to all who have read her books, have met her, or have known her personally. Where have you built your life? Jesus told us that only the lives built on Him, the Rock, will stand when the rains come, not if they come in the form of a sickness or death in your family, financial troubles, or your husband leaving you. It is our hope that you, through reading this book, will choose to put away the ways of the world and come to know the Lord in a more intimate way by seeking and trusting Him alone in every aspect of your life. Where have you built your life? Before rebuilding, you must have good blueprints. Your blueprints must be His Word, which you will find in this book. Always read the Scriptures; never skip them. Next, you must find the Cornerstone that everything will be built on. Our Cornerstone is taking Jesus as your Lord, not just your Savior, then to go beyond joy as you become His beautiful bride. With a renewed mind, the Lord's blueprint, and Him by your side, you will then be able to rebuild your life instead of foolishly building it on sinking sand. Those of you who are sitting amidst rubble because your house has fallen through infidelity or divorce really have the advantage. You are motivated to begin to rebuild your life. This is where I was when I first began writing the book for women. It was painful for me, but it was worth every tear I ever cried. A Wise
