Guide to Diversity, Equity, and Inclusion in the Music Industry Andrae Lamont Alexander, 2025-10-27 This book is a guide to diversity equity and inclusion in the American music industry from the perspectives of different segments of society African American Hispanic Latino Indigenous Women Asian LGBTQ Mental Illness Disorder and Physically Disabled Different Socioeconomic Status and Religion With the music industry's entrepreneurial activities being that of cultural monetization analysis of the work of Laura Mulvey and her concept of the Male Gaze specifically the heterosexual white male suggests that the societal lens used to view all segments of society are in the hands of a group that does not understand the historical nuances that shape the culture and current actions of each group represented and the current lived experiences of each segment in society whose culture is monetized This showcases a gap in understanding that presents an opportunity for deep cultural appreciation once the individual perspectives of each group are added to the collective mind This volume will be unique in that it will provide an overview of each group's history in America their current societal and music industry state and possible solutions with care taken to give voice to scholars from each community An example of the need for this work comes from the African American community where rappers have been consistently jailed for rap lyrics since the 1980s based on the assumption that rap was started by gang members This shows the power of untrue societal assumptions in affecting laws that negatively affect a group even though they are based on untruths that are perpetuated by executives focusing mainly on the bottom line of their company control of culture and social learning through media Showing a lack of artistic autonomy artists who sign with major labels often protest the content they are asked to create and release but must comply or remain in predatory contracts Outside of sociology and media studies which give broad overviews of each segment there is no book that presents readers with historical documentation a view of each group from multiple vantage points internal and external and how their history and social perceptions intersect in the music industry system to create crystalized pieces of culture that are filtered through the lens of Capitalism *Psychiatric-Mental Health Nursing* Sheila L. Videbeck, 2025-08-11 Sheila Videbeck's acclaimed text a past AJN Book of the Year Award finalist returns with its hallmark clarity and practical approach to psychiatric nursing concepts *Psychiatric Mental Health Nursing 10th Edition* maintains its strong nursing process foundation while introducing new content and features that boost clinical judgment and equip students for confident culturally responsive psychiatric care Concise writing and humorous illustrations make challenging content accessible while popular features like Therapeutic Dialogues and integrated study questions keep this engaging text students preferred choice on their path to clinical success *The Music Industry in the Digital Age* Richard Frenneaux, 2025-08-07 *The Music Industry in the Digital Age* examines at the major shifts brought about by digital technology and platforms in the music industry Frenneaux looks at how digital production tools social media and streaming services have impacted music distribution creation and consumption Along with addressing the challenges of sustaining

employment in a fractured attention economy the book examines the democratization of music production and the ascent of independent artists It looks at how record companies producers and A R s changing roles in a data driven environment as well as how algorithmic curation affects genre boundaries and music discovery Frenneaux explores the demands of continuous engagement and the complexity of artist fan relationships in the social media age The work also tackles important concerns such mental health in the music industry and how platforms like TikTok affect virality and marketing for music Combining knowledge from academics industry professionals and artists the book presents a complete picture of both opportunities and challenges in the modern music industry Frenneaux balances artistic integrity with commercial viability in an always changing digital environment by exploring subjects including streaming economics DIY ethics and the blurring of mainstream and independent production so offering a nuanced view of how digital disruption continues to shape the future of the music industry

An Educator's Guide to Mental Health and Wellbeing in Schools James Hollinsley, 2018-04-10 A brilliant collection of essays by educators psychologists and counsellors highlighting the critical importance of mental health and wellbeing of students in our schools The book has been collated and edited by James Hollinsley Head of the Longwood Primary Academy in Essex highly respected and awarded for their proactive approach to child mental health An absolutely critical read for all those involved in the education of young people the book offers a range of best practice case studies searingly honest anonymous stories from survivors of poor mental health who have also been or are practitioners in schools and advice from experts and specialists including psychologists counsellors and SEN specialists

Live life: an implementation guide for suicide prevention in countries , 2021-06-11 This product addresses the global public health problem of close to 800 000 suicides every year of which 79% occur in low and middle income countries Suicide is the second leading cause of death in the age group 15 29 years WHO guidelines already exist in the area of suicide prevention https://www.who.int/mental_health/mhgap/evidence/suicide/en therefore this product is not a guideline but will ensure the implementation of the existing guidelines
