Before the Launch David Wogahn, Manon Wogahn, 2025-04-25 Prepare for the self publishing process so your book stays relevant and marketable for longer Before the Launch isn't a book It's a manual If you are looking for a book to curl up with be entertained by and read cover to cover in a couple of sittings Before the Launch isn't for you This manual has been compiled over the course of 14 years during which we've managed the publication of more than 400 books for our self publishing clients It contains detailed advice based on our experience in using KDP IngramSpark Bowker and numerous other self publishing tools and services and now we're sharing it with you Before the Launch is your guide to understanding the important decisions you need to make and things you need to do during the book preparation process that have an impact on marketing success once your book is released These decisions and steps are rarely considered book marketing yet marketing can and does suffer if these tasks are not done correctly or not done at all Why do we call Before the Launch a manual Self publishing is a multi step process executed over the course of weeks and months Before the Launch is designed for just in time learning Publishing a book is a multidisciplinary project requiring business legal marketing and research know how Each of the 58 topics has color coded cross references to related topics The publishing tasks that lead up to the release of a book overlap with each other Before the Launch includes our trademarked 14 track Countdown to Book Launch timeline that illustrates these overlaps so you can stay on track during the lead up to your book's release Like any good manual our guidance is findable when you need it and we've built in learning extensions We've put as much care and thought into how the manual is organized as we have put into writing it Our goal is to teach you what you need to know when you need to know it The manual is organized into 5 sections PREPARE REGISTER AMAZON REVIEW and RELEASE We've included 140 links to additional authoritative information for deeper learning or additional resources Your purchase includes access to 3 orientation videos a tour of KDP a tour of IngramSpark and how to view an Amazon book product detail page like a publisher Because publishing timelines overlap the 58 topics contain 283 color coded cross references to help you quickly locate related topics We've even included downloadable Word Excel and PDF files to make it easier to perform the exercises recommended in the topics comp research metadata collection running a price drop sale and coordinating ARC printing with POD distribution via KDP and IngramSpark Before the Launch is your self publishing manual for the best launch possible Comprehensive accessible and based on real world experience Before the Launch is a manual for self publishers of fiction and nonfiction alike It's so handy you'll want the eBook as well as the original 204 page spiral print edition Get your copies today

Brilliant Internet Dom Brookman, 2005-12-02 This is a step by step guide to using the Internet with expert tips and cunning tactics which will ensure that when it comes to using the Internet you're constantly one step ahead of the game

Carpe Data: CONNECT Jim Ryan, 2017-11-22 Have you ever had the feeling you were being guided down a specific path in life A real deep in your guts crap in your pants inclination What if you came to believe you were placed on this earth to do

something that would change everything What would you do What would you be willing to do Everything is connected This much Jim Ryan figured out at a young age But he also foresaw the application of this physical property in the digital world a calling to connect every person on the planet to each other and to the collective intelligence of human kind Through the realization of this vision each of us can now do more get more access more than ever before thanks to a device we hold in our hand But like many great discoveries this new connectivity has a dark side In this fast paced introspective memoir written by one of the world s defining players in the mobile revolution Ryan takes us along on his quest to deliver what he first imagined in 1987 something he called the Total Interactive Communications Device the TICD something we have all come to know as the smartphone
