Senate, 1970 **Australasian Insurance & Banking Record** ,1888 **Tower of Thieves, AIG** Andrew Spencer, 2010-03-11 This is a true story of personal greed and downfall corporate greed fueled with economic and social treachery shareholder waste and discrimination at AIG 70 Pine Street in the heart of the financial district This address is know as the AIG Tower hence our working title TOWER OF THIEVES The central character is a man with a wife a family who has cheated his way to the top BY DOING GOOD What he sees and what he does validates what

unchecked power on Wall Street will do to a man and what it has done to an entire company and country The events at AIG lead right to the CEO and Senior Vice Chairman and how our guy fights an entire corrupt organization and how he became one of those he despised We found each other pretty easily he recognized me from a photo that had appeared in the local paper about the book I was writing about Bear Stearns and he asked if we could go somewhere more private to talk Part of me thought this was ridiculous A big part of me in fact All this cloak and dagger nonsense seemed out of place in early summer Nantucket Massachusetts of all places But there was some little sliver inside that told me this could be good So I went along with it We went to a park sat down and once we'd gotten through the formalities about how the Bear book was going we got down to business I should tell you that I'm going to federal prison at the end of the year he began In my admittedly limited experience with such introductions I have to say that any time a conversation starts with someone's announcing their impending sentencing date fasten your seatbelt because the story that follows is usually related to the sentencing date itself and is also usually pretty interesting I took notes as John rolled out his story the same story you're about to read here After about five minutes though I realized I was no longer writing I was just listening in disbelief to what he was telling me This meeting took place long before AIG was the poster child for corporate greed and chutzpah For that matter this was before a lot of people had ever even heard of AIG and even fewer people knew what they did as a corporation This is a story of what our taxpayer dollars have purchased
