[Leverage One Idea Into A Fortune: The Focused Entrepreneur Growth Model](#) Sybex Books, 2025-06-23 You don't need ten offers to succeed. You need one that works and the system to scale it. *Leverage One Idea Into A Fortune* is the focused entrepreneur's guide to going deep, not wide. In a world obsessed with doing more, this book shows you the power of doing one thing better, sharper, and more consistently than anyone else in your space. Start with your strongest idea, the one that solves a real problem, gets real results, and feels aligned with your values. Then refine the delivery, automate the back end, build repeatable sales systems, and expand without diluting your message. Avoid the trap of constant reinvention. Skip the burnout of idea chasing. Create a brand around one clear promise. Build credibility through repetition. Scale reach with systems. The fortune is in focus. This book hands you the tools, mindset, and frameworks to stay committed long enough for that focus to compound. Because real growth isn't scattered, it's stacked. You don't need more creativity. You need more consistency around what already works. This is how one idea becomes your legacy.
