Roblox Skins Update:

Public Relations Theory Eryn Travis, Edward J. Lordan, 2020-07-08 Reflecting the ever increasing changes in the public relations industry this new text offers a fresh up to date look at public relations theories as well as theories from related areas that impact public relations Chapters move from the oldest areas of communication theory through newer models devoted to interpersonal organizational and mediated up to the most current theories devoted to emerging media including digital and social Readers will learn how public relations and persuasion theories are at the heart of a practitioner's day to day work and see how a strong understanding of theories can make them more effective and strategic professionals

Creating Responsible and Inclusive Fashion Brand Narratives Emily Huggard, 2025-09-05 This book introduces the theories and frameworks necessary to drive meaningful social change in fashion brand communication illustrating their applications with examples of brands that prioritize social justice decolonization and environmental sustainability in their practices and communication strategies Drawing on social consumer and cultural theories such as Indigenous dress theory circularity fat liberation and social reproduction this book encourages students to think critically about brand communication in ways that are relevant impactful and aimed at transforming discourse and ideologies rather than focusing solely on products Through case studies ranging from Polo Ralph Lauren's collaboration with Indigenous weaver Naomi Glasses to material regeneration at Veja the authors demonstrate how these narratives can be applied in practice while raising ethical questions about transparency and authenticity in fashion brand messaging Readers will not only gain an understanding of why more inclusive and equitable brand narratives are essential but also develop the knowledge and critical thinking skills needed to analyze interpret and contribute to the ongoing transformation of fashion brand storytelling *Creating Responsible and Inclusive Brand Narratives* will be of interest to advanced students of Fashion Communication Marketing and Brand Management

Regulating the Metaverse Ignas Kalpokas, Julija Kalpokienė, 2023-01-26 The metaverse seems to be on everybody's lips and yet very few people can actually explain what it means or why it is important This book aims to fill the gap from an interdisciplinary perspective informed by law and media and communications studies Going beyond the optimism emanating from technology companies and venture capitalists the authors critically evaluate the antecedents and the building blocks of the metaverse the design and regulatory challenges that need to be solved and commercial opportunities that are yet to be fully realised While the metaverse is poised to open new possibilities and perspectives it will also be a dangerous place one ripe with threats ranging from disinformation to intellectual property theft to sexual harassment Hence the book offers a useful guide to the legal and political governance issues ahead while also contextualising them within the broader domain of governance and regulation of digital technologies

Women on Porn
 Fiona Vera-Gray, 2024-02-08 At a time when women are more vocal than ever about our lives there s one last taboo We need to talk about porn Briskly confronting porn is an inescapable part of the environment we all share and should be talked about honestly this book is an important start THE SUNDAY TIMES Celebrates women s sexuality but also unflinchingly reveals the truth of how women are perceived and used in society by men A STYLIST best non fiction pick for 2024 When we think about porn today we still mostly think about men Men as the producers and the consumers Women as the product Most women aren t talking to each other about what they do and don t do with porn not really And when we do talk about it we are divided into unhelpful binaries for or against Liberation or coercion Too sexual or not sexual enough But in a world where porn sites get more traffic than Netflix Amazon plus Twitter combined and one of the leading sites claims a third of its users are women isn t it time to change that In this book interviews with 100 women result in an extraordinary and powerful conversation on pornography How they first encountered it How they consume it How it has affected their sex lives What they like and what they don t And what it means for their relationships Eye opening provocative and deeply moving this book navigates the polarised public debates to open an intimate window into porn and the sexual lives of women today
