Promoting Family Wellness And Preventing Child Maltreatment Fundamentals For Thinking And Action:

Promoting Family Wellness and Preventing Child Maltreatment Isaac Prilleltensky, Geoffrey Brian Nelson, Leslea Peirson, 2001-01-01 Deals with the promotion of emotional well being in families and the prevention of child maltreatment Values policies and resources are examined as both facilitators of and barriers to effective action *Promoting Family Wellness and Preventing Child Maltreatment* Family Wellness Project, Canada. Human Resources Development Canada. Social Development Partnerships Program, 2000* **Child Welfare** Kathleen Kufeldt, 2014-05-27 In 1994 a group of researchers and decision makers met to discuss the state of child welfare Also present were a few practitioners and two youth in care Six years later when they met again the number of practitioners and youth had grown considerably and were joined by a strong contingent of foster parents Thus the findings and insights presented were affirmed or challenged by those most affected those on the front line It was an exciting event worth capturing in book form Kathleen Kufeldt and Brad McKenzie have gathered the papers presented at the 2000 Symposium and have organised them under four themes incidence and characteristics of child maltreatment the continuum of care policy and practice and future directions An analysis and synthesis of the work informs each of these themes while an eight point research agenda developed in an earlier symposium is used to assess developments to date and provide guidance for the future Creating Positive Systems of Child and Family Welfare Gary Cameron, Marshall Fine, Sarah Maiter, Karen Frensch, Nancy Freymond, 2013-12-31 The North American approach to child protection is broadly accepted despite frequent criticisms of its core limitations parental fear and resistance the limited range of services and supports available to families escalating costs and high stress and turnover among service providers Could these shortcomings be improved through organizational or system reform Based on findings from a decade s worth of research *Creating Positive Systems of Child and Family Welfare* provides original reflections on the everyday realities of families and front line service providers involved with the system It includes data from a variety of regions and situations all linked together through a common investigatory framework The contributors highlight areas of concern in current approaches to child and family welfare but also propose new solutions that would make the system more welcoming and helpful both for families and for service providers **Towards Positive Systems of Child and Family Welfare** Gary Cameron, Nancy Freymond, 2006-01-01 Child and family welfare systems confront the problems of families throughout the world on a daily basis Whilst there may be differences between nations and organisations there are also similarities This book presents a comparative study of child and family welfare models in the developed nations *Promoting Well-Being* Isaac Prilleltensky, Ora Prilleltensky, 2006-10-13 Links psychological wellness with organizational and community health and provides insight into how these domains interact **Within Our Reach** Christine Anne Ateah, Janet Mirwaldt, 2004 The papers in this collection examine specific issues of violence across the lifespan from early childhood until late adulthood **The New Walford** Ray Lester, 2005 Covers 15 broad subject groupings social sciences

generic psychology sociology social work politics government law finance accountancy industries business education sport media information and tools for information professionals The Better Beginnings, Better Futures Project Ray DeV. Peters, Alison J. Bradshaw, Kelly Petrunka, 2010-12-21 In this monograph we investigate the medium and long term effects of an ecological community based prevention project for primary school children and families living in three economically disadvantaged neighborhoods in Ontario Canada Abstract **Cultural Cognition and Psychopathology** John F. Schumaker, Tony Ward, 2001 An interdisciplinary volume which draws together the concepts of culture and cognition in the wider context of psychopathology It provides new perspectives on the etiology treatment and prevention of psychopathology by challenging current individualistic models and assumptions while offering new theoretical formulations that take account of the cultural foundation of the cognition process This book is divided into three sections The first offers a history of the existing shortsighted models that see the individual as the source of pathological cognitions The second section is comprised of nine chapters that examine selected mental disorders The final section examines the implications of new models that take account of cultural sources of cognition This book will be of interest to clinical and cross cultural psychology anthropology sociology and professionals in psychology social services and public health **Hastings Journal** ,2012 **Hastings Law Journal** ,2011 *Canadian Social Work Review* ,2003 Quill & Quire ,2001 **Canadian Book Review Annual** Joyce M. Wilson, 2002-06 *Choice* ,2001 **Canadian Books in Print** ,2003 **Seventh Annual Roundtable on Outcome Measures in Child Welfare Services** ,2000 Families in Society ,2009 Canadian Books in Print 2002 Marian Butler, 2002-02
