Proof Through The Night Music And The Great War Includes Cd:

Proof through the Night Glenn Watkins, 2002-12-30 Carols floating across no man's land on Christmas Eve 1914 solemn choruses marches and popular songs responding to the call of propaganda ministries and war charities opera keyboard suites ragtime and concertos for the left hand all provided testimony to the unique power of music to chronicle the Great War and to memorialize its battles and fallen heroes in the first post Armistice decade In this striking book Glenn Watkins investigates these variable roles of music primarily from the angle of the Entente nations perceived threat of German hegemony in matters of intellectual and artistic accomplishment a principal concern not only for Europe but also for the United States whose late entrance into the fray prompted a renewed interest in defining America as an emergent world power as well as a fledgling musical culture He shows that each nation gave proof through the night ringing evidence during the dark hours of the war not only of its nationalist resolve in the singing of national airs but also of its power to recall home and hearth on distant battlefields and to reflect upon loss long after the guns had been silenced Watkins's eloquent narrative argues that twentieth century Modernism was not launched full force with the advent of the Great War but rather was challenged by a new set of alternatives to the prewar avant garde His central focus on music as a cultural marker during the First World War of necessity exposes its relationship to the other arts national institutions and international politics From wartime scores by Debussy and Stravinsky to telling retrospective works by Berg Ravel and Britten from *La Marseillaise* to *The Star Spangled Banner* from *It's a Long Way to Tipperary* to *Over There* music reflected society's profoundest doubts and aspirations By turns it challenged or supported the legitimacy of war chronicled misgivings in miniature and grandiose formats alike and inevitably expressed its sorrow at the final price exacted by the Great War *Proof through the Night* concludes with a consideration of the post Armistice period when on the classical music front memory and distance forged a musical response that was frequently more powerful than in wartime

Musik bezieht Stellung Stefan Hanheide, Claudia Glunz, Dietrich Helms, Thomas F. Schneider, 2013 On the battlefields of world history music has had many functions It is exploited by propaganda to hound the enemy and battle songs are used to drive out fear and vilify the enemy Soldiers sing and play music to find solace in the madness of war and to remain human The First World War the first modern war led the way in the functionalisation of music While old traditions such as the soldier song still had their importance new media such as the gramophone record were tested for propagandistic ends Popular songs from operettas and chorus songs began to take over the function that folk songs previously had The diverse roles of music in the first World War are examined in the contributions to this volume The authors shed light on the theme from different perspectives How was music used in propaganda to fight the enemy How did soldiers in the trenches use music to survive And finally how was the theme of war dealt with in music

The ^AOxford Handbook of Music and the Middlebrow Kate Guthrie, Christopher Chowrimootoo, 2024-12-03 This handbook seeks to reanimate the music institutions and audiences that made up the cultural

middle in the nineteenth and twentieth centuries by investigating the wealth of middlebrow culture that bridged the space between highbrow and lowbrow music. With case studies ranging from symphonic concerts to Broadway musicals from opera criticism to rock journalism it brings together scholars of classical and popular music to present a new enriched narrative of music history.

Music at Michigan, 1999

The Vietnam War in Popular Culture Ron Milam, 2016-11-07

Covering many aspects of the Vietnam War that have not been addressed before this book supplies new perspectives from academics as well as Vietnam veterans that explore how this key conflict of the 20th century has influenced everyday life and popular culture during the war as well as for the past 50 years. How did the experience of the Vietnam War change the United States not just in the 1950s through the 1970s but through to today? What role do popular music and movies play in how we think of the Vietnam War? How similar are the recent wars in Iraq and Afghanistan and now Syria to the Vietnam War in terms of duration, cost, success and failure rates and veteran issues? This two volume set addresses these questions and many more examining how the Vietnam War has been represented in media, music and film and how American popular culture changed because of the war. Accessibly written and appropriate for students and general readers, this work documents how the war that occurred on the other side of the globe in the jungles of Vietnam impacted everyday life in the United States and influenced various entertainment modes. It not only covers the impact of the counterculture revolution, popular music about Vietnam recorded while the war was being fought and after, and films made immediately following the end of the war in the 1970s but also draws connections to more modern events and popular culture expressions such as films made in the aftermath of September 11, 2001. Attention is paid to the impact of social movements like the environmental movement and the civil rights movement and their relationships to the Vietnam War. The set will also highlight how the experiences and events of the Vietnam War are still impacting current generations through television shows such as *Mad Men*.

Zündstoff Beethoven Felix Meyer, Simon Obert, 2021-07-08

Obwohl die Idee eines musikalischen Mainstreams mit Beethoven als Ausgangs bzw. Fluchtpunkt kaum mehr gelte, ist sie auch im 20. und 21. Jahrhundert ungehörte Komponistinnen und Komponisten in ihrem Schaffen auf Beethoven Bezug genommen oder durch kreative Abgrenzung auf ihn reagiert. Seine andauernde Relevanz wird im vorliegenden Band anhand von Dokumenten aus den Sammlungen der Paul Sacher Stiftung veranschaulicht. Die Begleitpublikation zur gleichnamigen Ausstellung im Beethoven Haus Bonn greift die vier dort präsentierten Themenbereiche Lernen und Lehren mit Beethoven, Idealisierungen, Strategien des Verweisens und Verfremdungen, Demontagen auf. Darin werden die Kontexte, Techniken und ideologischen Strömungen der Beethoven Begegnung bei Musikschaffenden verschiedenster Provenienz aufgezeigt. Werden das Spektrum reicht von Anton Webern bis zu Richard Strauss bis zu Mauricio Kagel, Cathy Berberian und Kaija Saariaho. Die ausgewählten Rezeptionszeugnisse sind in Abbildungen dokumentiert und mit ausführlichen Kommentaren versehen. Den einzelnen Kapiteln sind zudem einführende Essays vorangestellt, in denen allgemeine Aspekte der Beethoven

Rezeption in j ngerer Zeit erl utert werden **The Publishers Weekly** ,1888 *Olivier Messiaen* Robert Sholl,2024-06-12

Drawing on a range of sources and fields the rich life story of this polymathic composer This groundbreaking biography offers fresh perspectives on the life ideas and music of French twentieth century composer organist and ornithologist Olivier Messiaen Drawing from previously unexplored sketches and archival material the book seamlessly combines elements of biography musicology theology philosophy psychoanalysis and aesthetics to present a nuanced perspective on Messiaen s work Robert Sholl explores the profound impact of Messiaen s devout Catholicism which found expression through his work as a church organist his engagement with birdsong his interaction with Surrealism and his profound influence on major musical figures of the latter twentieth century Unlike previous biographies this book also considers the perspectives of Messiaen s contemporaries and students providing a comprehensive understanding of his life and artistic legacy **The British National Bibliography** Arthur James Wells,2002 International Who's who in Classical Music ... ,2004 *The Book Review Digest* ,2004 **Making it New** Yale University. Art Gallery,2007 Gerald and Sara Murphy took Paris by storm in the 1920s inserting themselves into the avant garde circles of dance music and art Lively and engaging Making It New sheds new light on the European fascination with the Murphys and provides key insights into their life and art Cecile Whiting author of Pop L A Art and the City in the 1960s By telling and retelling the story of the Murphys from various viewpoints Making It New aims to be the first comprehensive study of their contribution to Modern Art This book should be of wide interest to both scholars and general readers Elizabeth Hutton Turner author of Americans in Paris Man Ray Gerald Murphy Stuart Davis Alexander Calder **Quill & Quire** ,2002 *History Today* ,2003 **Gramophone Classical Good CD Guide 2001** Gramophone,2000 Due to be published in September 2000 this essential guide contains reviews by the world s leading writers on classical music Whether you re looking for a Mozart symphony or a Turnadge opera a Liebermann concerto or a Haydn string quartet the Gramophone Classical Good CD Guide provides you with access to the expertise to ensure that the choices you make are the best possible With a Suggested Basic Library ratings for the best discs and over 5 000 reviews the Gramophone Classical Good CD Guide is the essential buy for anyone interested in classical music
