Peron Del Exilio Al Poder:

Argentine Jews Or Jewish Argentines? Raanan Rein,2010-01-01 This volume is devoted to Jewish Argentines in the twentieth century and deliberately avoids restrictive or prescriptive definitions of Jews and Judaism Instead it focuses on people whose identities include a Jewish component irrespective of social class and gender and regardless of whether they are religious or secular Ashkenazi or Sephardic or affiliated with the organized Jewish community **In the Shadow of**

Perón Raanan Rein,2008-05-22 Populism has been one of the most important phenomena in the political and social history of Latin America In the Shadow of Perón challenges several commonly held assumptions about the nature of populism and the relations between the charismatic leader and the popular masses Devoted to the second line of Peronist leadership in Argentina from the 1940s onwards it focuses on the figure of Juan Atilio Bramuglia who tried to offer an alternative path for the movement The volume stresses the heterogeneous nature of Peronism and traces the various ideological sources of its doctrine It also analyzes Perón's machinations in order to maintain his leadership and eliminate any opposition within the movement *Geopolitische Imaginarien* Mirko Petersen,2018-03-15 Welche Verbindungen bestanden zwischen der

Sowjetunion und Argentinien in der frühen Phase des Kalten Krieges Mirko Petersen zeigt Zwar waren die konkreten wirtschaftlichen und diplomatischen Beziehungen zwischen den beiden Ländern keineswegs markant aber diskursive Bezugnahmen auf die UdSSR prägten maßgeblich die argentinische Politik unter Juan Perón 1943-55 Diese geopolitischen Imaginarien werden den theoretischen Prämissen von Ernesto Laclau und Chantal Mouffe folgend mittels einer innovativen Diskursanalyse herausgearbeitet Besonders sticht dabei die Dritte Position des Peronismus hervor die eine Alternative zu den Systemen der Supermächte darstellen sollte *Mañana es San Perón* Mariano Ben Plotkin,2002-10-01 The regime of Juan

Perón is one of the most studied topics of Argentina's contemporary history This new book an English translation of a highly popular critically acclaimed Spanish language edition provides a new perspective on the intriguing Argentinian leader Mariano Plotkin's cultural approach makes Perón's popularity understandable because it goes beyond Perón's charismatic appeal and analyzes the Peronist mechanisms used to generate political consent and mass mobilization *Mañana es San Perón* is the first book to focus on the cultural and symbolic dimensions of Peronism and populism Plotkin also presents important material for the study of populism and the modern state in this region *Mañana es San Perón* explores the creation of myths symbols and rituals which constituted the Peronist political imagery This political imagery was not designed to reinforce the legitimacy of a political system defined in abstract terms but to assure the undisputed loyalty of different sectors of society to the Peronist government and to Perón himself The evolution of the institutional framework that made the creation of this symbolic apparatus possible is also discussed This well researched book shows the methods designed by the Peronist regime to broaden its social base through the incorporation and activation of groups which had traditionally occupied a marginalized position within the political system non union workers women and the poor Plotkin investigates how Perón used the education

system to build his popularity He examines the public assistance programs financed through the Eva Perón Foundation and demonstrates how they were used to politicize women for the first time He explains how Eva Perón and the Peronist regime not only tried to gain the support of women as voters but also as potential missionaries who would spread the Peronist word in the privacy of their homes This well written and engaging account of one of Latin America's most colorful and appealing leaders is an excellent resource on Argentina and Latin American history and politics *Politics and Education in Argentina, 1946-1962* Monica Rein, 1998-03-11 Mid twentieth century Argentine history was characterized by a long series of political upheavals economic ups and downs and social crises Successive regimes attempted to shape national consciousness to legitimize and support their respective goals The education system at all levels served as a major tool in these efforts This study focuses on the formal education system in Argentina during the 1940s the 1950s and the early 1960s It analyzes the link between politics and education against the backdrop of changing social conditions in Argentina under the regimes of Perón Lonardi and Aramburu the Liberating Revolution and Frondizi by evaluating textbooks official bulletins children's periodicals speeches and personal interviews *Projections of Peronism in Argentine Autobiography, Biography and Fiction* Lloyd Hughes Davies, 2007 As shown by the worldwide success of both the stage and film versions of *Evita* Eva Perón continues to arouse interest beyond the borders of Argentina Within the country she holds near mythic status yet the effect of Peronism on Argentine culture demands to be better understood Lloyd Hughes Davies opens a new dimension on Perón's impact by widening the traditional focus on her influence on literature to include autobiographies and biographies In the process he demonstrates how the boundaries between the novel life writing and historical writing have become increasingly blurred *Nationalismus, Faschismus und Peronismus 1927-1955* Cristián Buchrucker, 1982 **Lateinamerika** Martina Kaller-Dietrich, Barbara Potthast-Jutkeit, Hans Werner Tobler, 2004 **Peronism and Anti-Peronism** Pierre Ostiguy, 1998 *From Laborism to Liberalism* Steven Robert Levitsky, 1999 *The Power of Oral History* Philippe Denis, James Worthington, 2002 **Peronism and Argentina** James P. Brennan, 1998-06 This text examines the history origins and contemporary directions of Peronism The essays included seek to clarify misconceptions about the nature of Peronism and explain how the movement has been interpreted by intellectuals and how it has influenced Argentine politics and civil society **El retorno de Perón y el peronismo en la visión de la prensa nacional y extranjera** Claudio Panella, 2009 *Jahresbibliographie Bibliothek für Zeitgeschichte* (Germany), 1997 *Razvoj/Development--International*, 1986 *Bibliographie Internationale de Science Politique*, 1994 Miraculous Metamorphoses J. Demmers, A.E. Fernandez Jilberto, Barbara Hogenboom, 2001-03 Latin American politics contain a central conundrum How is it that the triumph of neo liberal inspired economic restructuring in the 1980s and 90s did not cause the political demise of populist movements What is remarkable is that Latin American populist parties which had long been associated with statist quasi Keynesian even demagogic economic policies have survived the transition to the much harsher era of free markets privatisation

unemployment and increasing inequality and without apparently losing their political popularity in contrast both to the far left and traditional oligarchic parties Indeed Latin American populist forces seem to have made neo liberals their own Using a carefully selected set of countries in South and Central America the book illustrates the distinctive political paths of each country while making clear the significant extent to which the region's populist tradition as a whole has adapted to the new economic realities This is in marked contrast to the very different political trajectories of Africa and Asia in the past two decades *Encuentros* ,1994 *Bibliotheca Ibero-Americana* Reinhard Liehr,1995 Includes 14 papers on evolution of Latin American public debt from independence to 1930s with an emphasis on foreign debt Discusses Argentina Brazil Chile Mexico Peru and Venezuela focusing primarily on period before World War I Handbook of Latin American Studies v 57 **National Union Catalog** ,1968 Includes entries for maps and atlases
