Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur, 2007 [Handbuch Friedenserziehung](#) Werner Haussmann, 2006 [Teenagers' Perspectives on the Role of Religion in Their Lives, Schools and Societies](#) Pille Valk, 2009 The quantitative study presented in this book is part of the research effort by the REDCo project Religion in Education A contribution to Dialogue or a Factor of Conflict in Transforming Societies of European Countries The project

brought together nine research teams from eight European countries England Estonia France Germany The Netherlands Norway Russia and Spain The research involved interdisciplinary cooperation between specialists in the different academic fields of education religious education sociology political science anthropology psychology theology and religious studies The book offers valuable interpretations and inspirations on the question how the students in the 14 16 year age group in Europe see the relevance of religions for dialogue and conflict in their daily lives in the school environment and in society as a whole

Religious Reconstruction in the South Asian Diasporas John R. Hinnells, 2007-05-23 The outcome of an international scholarly collaboration this collection examines how religions from South Asia have been reconstructed within Western settings and how identity is shaped not only by migrants but also by subsequent generations Focusing on Britain USA Canada and Australia chapters address the religions social and political issues facing South Asian diasporas and examines how they have been effected by 9 11 and Britain's 7 7 as well as the bombings in Bali and Mumbai

Journal of Christian Education ,2006

Peace Or Violence Jeff Astley, Leslie J. Francis, Mandy Robbins, 2007 Religion's impact on world politics has been of major concern since the 9 11 terrorist attacks and America's military response Peace or Violence addresses the timely question of the role of religious education does it merely inculcate the fundamentalist mindset that leads to sectarian violence or can it instead promote peace Through an analysis and evaluation of many of the different models of religious education across the Western world this book considers religion's role in a polarized and globalized world The contributors gathered here persuasively argue that religious education's responsibility is to inform and enrich communal life

Schools and Religions Julian Stern, 2007-05-08 The link between schools and religions is an area of lively debate Looking at two challenges of the 21st century social inclusion and globalization this book analyses the role that religion can play in fostering communities in schools and its implications for social cultural and other developments in both national and international contexts
