

TEACHER PERFORMANCE OBJECTIVES AND STANDARDS

Teacher Objectives

Teachers' performance is assessed against the relevant standards as well as against their objectives.

Objectives are likely to focus on:

- Impact on pupil progress;
- Impact on wider outcomes for pupils;
- Improvements in specific elements of practice, such as behaviour management or lesson planning;
- Impact on effectiveness of teachers or other staff; and
- Wider contribution to the work of the school.

Objectives provide an important basis for assessing performance, but they are not the only one. A teacher is also expected to meet all of the relevant standards.

Teachers' Standards

All teachers at this School are expected to meet the Teachers' Standards as set out in the STPCD in order to be considered good teachers, but they will not be expected to provide evidence of this for the purposes of their appraisal. If the School has concerns that a teacher may not be meeting the Teachers Standards appropriate action will be considered under either the Disciplinary or Capability procedure.

Post Threshold Standards

Teachers on the Upper Pay Range should be able to demonstrate that they are meeting the Post Threshold Standards as set out below, and that they are continuing to meet the criteria for being paid on the Upper Pay Range, as set out in the STPCD and the School's Pay Policy.
