

A stylized illustration of the human respiratory system. The lungs are depicted in a vibrant pink color with a network of branching bronchi shown in a lighter pink. The trachea, or windpipe, is a bright cyan color with a series of white, ring-like cartilages. At the top of the trachea, a small purple structure represents the larynx. The entire illustration is set against a background of a blue, textured pattern that resembles a microscopic view of tissue or a water surface.
