Responsibility And Punishment:

Punishment and Responsibility H.L.A. Hart, 2008-03-06 This collection of essays represents H L A Hart s landmark contribution to the philosophy of criminal responsibility and punishment This edition reproduces the original text adding a new critical introduction by John Gardner a leading contemporary criminal law theorist **Responsibility and**

Punishment J. Angelo Corlett, 2013-12-23 This volume provides discussions of both the concept of responsibility and of punishment and of both individual and collective responsibility It provides in depth Socratic and Kantian bases for a new version of retributivism and defends that version against the main criticisms that have been raised against retributivism in general It includes chapters on criminal recidivism and capital punishment as well as one on forgiveness apology and punishment that is congruent with the basic precepts of the new retributivism defended therein Finally chapters on corporate responsibility and punishment are included with a closing chapter on holding the U S accountable for its most recent invasion and occupation of Iraq The book is well focused but also presents the widest ranging set of topics of any book of its kind as it demonstrates how the concepts of responsibility and punishment apply to some of the most important problems of our time This is one of the best books on punishment and the Fourth Edition continues its tradition of excellence The book connects punishment importantly to moral responsibility and desert and it is comprehensive in its scope both addressing abstract theoretical issues and applied issues as well The topics treated include collective responsibility apology forgiveness capital punishment and war crimes Highly recommended John Martin Fischer Distinguished Professor of Philosophy University of California Riverside *On Guilt, Responsibility, and Punishment* Alf Ross, 1975-01-01 Selected essays originally published as a book in Danish in 1970 Three had been published before then in English but the others are new All deal with concepts common to law and morality They function in the same way in legal and moral discourse guilt determines responsibility and responsibility punishment But the conditions under which a person incurs guilt differ according to whether the guilt is legal or moral as do also the manner in which the responsibility takes effect and the penal reaction itself Cf Preface page v *Responsibility and Punishment* J. Angelo Corlett, 2006-03-29 A provocative and lucid defense of retributivism against several long standing criticisms The author explores the matter of reparations for past wrongs in the case of crimes committed against Native Americans by the United States Government Unequaled in its depth and scope of discussion the book delves deeply into particular concerns with retributivism responsibility and certain areas of compensation **Punishment and Responsibility** Herbert Lionel Adolphus Hart, 1988 **The Elements of Ethics** James

Hervey Hyslop, 1895 *Punishment, Responsibility, and Justice* Alan William Norrie, 2000 Punishment Responsibility and Justice builds on Alan Norrie s previous work in the philosophy of punishment and criminal law to develop a challenging and ground breaking critique of Kantian justice thinking It casts a bold new light on recent debates about punishment and the criminal law in a period when traditional thinking has undergone opposition crisis and change The retributive and orthodox

subjectivist approaches which have driven the textbook tradition and law reform for forty years have been doubly challenged. A revisionist critique opposes their Kantian insistence on formal individual autonomy from both a communitarian position on punishment and a morally substantive view of responsibility. A postmodern critique opposes orthodoxy for its failure to see how the Kantian subject is constructed in relations of power and domination. Against both orthodox subjectivist and revisionist views, Norrie develops a relational or dialectical critique to argue that they in fact both work in the same Kantian problematic. He establishes the concept of a blaming relation as the basis for a critique of both and to challenge the standard analytical account of criminal justice thinking. Moving from the legal theory of Ashworth, Duff, Fletcher, Moore, Smith and Williams to the jurisprudence of the courts, Norrie analyses the seemingly irresolvable problems of punishment, responsibility and justice in the criminal law from a relational point of view. Against the postmodern approach, he argues for the need to retain what remains of moral value in Kantianism by seeking a non-Kantian answer to the Kantian question of individual justice. The result is a relational critique of punishment, responsibility and justice which recognises the ambiguity and ambivalence that accompany judgment of wrongdoing and which asserts both the real moral value and the fundamental limits of Kantian justice thinking. Freedom, Responsibility and Punishment James Hervey Hyslop, 1894

Crime, Punishment, and Responsibility Rowan Cruft, Matthew H. Kramer, Mark R. Reiff, 2011-07-14. For many years Antony Duff has been one of the world's foremost philosophers of criminal law. This volume collects essays by leading criminal law theorists to explore the principal themes in his work. In a response to the essays, Duff clarifies and develops his position on central problems in criminal law theory. Some of the essays concentrate on the topic of criminalization. That is, they examine what forms of conduct, including attempts, offensiveness and negligence, can aptly qualify as criminal offences and what principled limits, if any, should be placed on the reach of the criminal law. Several of the other essays assess the thesis that punishment is justifiable as a form of communication between offenders and their community. Those essays examine the presuppositions about the nature and function of community and about the moral structure of atonement that must be embraced if communication is to be a primary role for punishment. The remaining essays examine the nature and limits of responsibility in the law as they engage with philosophical debates over moral luck by investigating the ways in which the law can legitimately hold people responsible for events that were not within their control. These chapters tie the first and third parts of the book together as they explore the relationship between the principles that determine a person's responsibility and the principles that determine which types of actions can appropriately be criminalized. Finally, Duff responds with comments that seek to defend and clarify his views while also acknowledging the correctness of some of the critics' objections. *Handbook of Moral Behavior and Development* William M. Kurtines, Jacob Gewirtz, Jacob L. Lamb, 2014-02-04. The publication of this unique three-volume set represents the culmination of years of work by a large number of scholars, researchers and professionals in the field of moral development. The literature on moral behavior and

development has grown to the point where it is no longer possible to capture the state of the art in a single volume This comprehensive multi volume Handbook marks an important transition because it provides evidence that the field has emerged as an area of scholarly activity in its own right Spanning many professional domains there is a striking variety of issues and topics surveyed anthropology biology economics education philosophy psychology psychiatry sociology social work and more By bringing together work on diverse topics the editors have fostered a mutually beneficial exchange not only between alternative approaches and perspectives but also between applied and pure research interests The Theory volume presents current and ongoing theoretical advances focusing on new developments or substantive refinements and revisions to existing theoretical frameworks The Research volume summarizes and interprets the findings of specific theory driven research programs reviews research in areas that have generated substantial empirical findings describes recent developments in research methodology techniques and reports research on new and emerging issues The Application volume describes a diverse array of intervention projects educational clinical organizational and the like Each chapter includes a summary report of results and findings conceptual developments and emerging issues or topics Since the contributors to this publication are active theorists researchers and practitioners it may serve to define directions that will shape the emerging literature in the field

Lectures and Essays on Natural Theology and Ethics William Wallace, 1898

The Limits of Blame Erin Kelly, 2018 Faith in the power and righteousness of retribution has taken over the American criminal justice system Approaching punishment and responsibility from a philosophical perspective Limits of Blame takes issue with a criminal justice system that aligns legal criteria of guilt with moral criteria of blameworthiness Many incarcerated people do not meet the criteria of blameworthiness even when they are guilty of crimes The author underscores the problems of exaggerating what criminal guilt indicates particularly when it is tied to the illusion that we know how long and in what ways criminals should suffer Our practice of assigning blame has gone beyond a pragmatic need for protection and a moral need to repudiate harmful acts publicly It represents a desire for retribution that normalizes excessive punishment Kelly proposes that we abandon our culture of blame and aim at reducing serious crime rather than imposing retribution Were we to refocus our perspective to fit the relevant moral circumstances and legal criteria we could endorse a humane appropriately limited and more productive approach to criminal justice

Hart on Responsibility C. Pulman, 2014-11-18 A collection of essays discussing Herbert Hart's writings on responsibility The essays focus upon Hart's work on causation in the law and on the justification of punishment Specific topics discussed include senses of responsibility voluntariness Mill's harm principle mens rea excuses the Hart

Responsibility And Punishment Introduction

In the digital age, access to information has become easier than ever before. The ability to download Responsibility And Punishment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Responsibility And Punishment has opened up a world of possibilities. Downloading Responsibility And Punishment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Responsibility And Punishment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Responsibility And Punishment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Responsibility And Punishment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Responsibility And Punishment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Responsibility And Punishment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.

FAQs About Responsibility And Punishment Books

1. Where can I buy Responsibility And Punishment books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Responsibility And Punishment book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Responsibility And Punishment books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Responsibility And Punishment audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
