Place Among The Nations Israel And The World:

A Place Among the Nations Binyamin Netanyahu,1993 In a passionate meticulously researched work Israel s most charismatic spokesperson traces the origins history and politics of his country s relationship with the Arab world and the West and offers for the first time his own detailed plan for a real lasting peace in the Middle East

A Place Among the Nations Benjamin Netanyahu,1993 Benjamin Netanyahu traces the origins history and politics of Israel s relationship with the Arab world and the West providing a view of the country s precarious situation among the Arabs and revealing his own plan for peace in the Middle East the hostile target not only of an Arab world more than 500 times its size but of so much of the West He wonders how what he identifies as the only democracy in the Middle East has become the focus of Western criticism of the kind never directed at the surrounding Arab tyrannies He argues against the lies which he feels are levelled against Israel today by using the facts of ancient and modern history to establish his country s case attainable but only if the nature of Middle Eastern politics and the volatile forces within Arab and Islamic society are taken into account He puts forward his plan for an Israeli renewal and calls for sweeping political and economic reforms to enable the Jewish state to achieve a permanent position on the international stage

A Durable Peace Benjamin Netanyahu,2000-01-12 This examination of the Middle East s troubled history traces the origins development and politics of Israel s relationship with the Arab world and the West It argues that peace with the Palestinians will leave Israel vulnerable to Iraq and Iran

Iran and Its Place among Nations Alidad Mafinezam,Aria Mehrabi,2007-11-30 Iran and Its Place among Nations takes a bird s eye view of where Iran has been in the international community where it is today and where it may ideally end up in the future Is Iran an Eastern country bound by traditions that hinder economic development Or does it also have some attributes of Western countries given its history geographic location culture and politics Among the key insights in this book is the observation that Iran is a bridge between East and West Is Iran a fomenter of Islamic radicalism in the Middle East and beyond or can it be a promoter of moderation and reform within its own borders and in other Muslim countries How effectively can the religious and national sources of Iran s identity be reconciled or must the country choose one over the other and overcome the inherent tensions of this dual identity This book addresses these and similar questions regarding one of the most important and newsworthy countries in the world Combining description and prescription the authors shed light on the tumultuous history of Iran in the twentieth century and uncover the domestic and foreign factors that have aided and retarded the country s development in modern times Providing a close look at the backgrounds and identities of key pre and post revolutionary leaders in Iran the authors make insightful recommendations to Iranians and the international community on how to integrate Iran into harmonious and stable relationships that benefit Iranians the region that surrounds them and the world Grounded in solid scholarship yet written accessibly this is a must read for all Iran watchers today
