Immerwährendes Leben Anton Stadlmeier, 2025 Die Hoffnung auf ein Leben nach dem Tod ist integraler Bestand des Evangeliums Ihre Aussagen sind formuliert auf dem Hintergrund der damals g ltigen Kosmologie und bed rfen um heute plausibel zu sein eine bersetzung in den Kontext einer s kularen Welt deren Verstehen wesentlich gepr gt sind von den Naturwissenschaften Die Prozesstheologie bietet ein theologisches Konzept an das vermittelt durch die Prozessontologie Alfred N Whiteheads auf Erkenntnissen der Naturwissenschaften vorrangig Quantenphysik Relativit tstheorie Evolutionslehre beruht Die Arbeit stellt unterschiedliche prozesstheologische Konzepte und berlegungen zur subjektiven Unsterblichkeit vor systematisiert diese gibt die Diskussion wieder die ber einige dieser Konzepte innerhalb der Prozesstheologie gef hrt wurden und stellt Bez ge her zu den Themen des eschatologischen Traktes In einem weiteren Schritt pr sentiert die Arbeit die relevanten Aussagen des Alten und Neuen Testaments zur Hoffnung auf ein Leben nach dem Tod Diese werden des Weiteren prozesstheologisch kontextualisiert mit Hilfe der Prozesshermeneutik die auf Whiteheads Wahrnehmungstheorie basiert geleitet von den Fragen inwieweit und wie sie die biblischen Inhalte thematisieren ob sie ihnen gerecht werden und worin der Verst ndnisgewinn liegen k nnte

The Uncontrolling Love of God Thomas Jay Oord, 2015-11-09 Rarely does a new theological position emerge to account well for life in the world including not only goodness and beauty but also tragedy and randomness Drawing from Scripture science philosophy and various theological traditions Thomas Jay Oord offers a novel theology of providence essential kenosis that emphasizes God s inherently noncoercive love in relation to creation

Religions in the Making John B. Cobb, 2012-11-06 Whitehead had a place for God in his comprehensive cosmological vision and his theism has long attracted interest from some Christian theologians But Whitehead s ideas have much wider use Some Buddhists have found help in articulating their nontheistic vision and relating it to the current world of thought and action In this book religious writers in seven different traditions articulate how they can benefit from Whitehead s work So this volume demonstrates that various features of his thought can contribute to many communities According to his followers Whitehead shows that the deepest convictions and commitments of the major religious communities can be complementary rather than in conflict Readers of this book will see how that plays out in some detail A Whiteheadian Hindu can recognize the truth in a Whiteheadian Judaism and both can appreciate the insights of Chinese Whiteheadians committed to their classical thinking Perhaps a new day in interreligious understanding has come

Preaching and the Other Ronald J. Allen, 2008-11-01 Preaching and the Other introduces the reader to six major themes characteristic of the postmodern era that are important for preaching and explains their implications Themes discussed include perception as interpretation deconstruction otherness transgression pluralism and the importance of apologetics

Religion of Tomorrow John Elof Boodin, 2024-04-11 Published in 1943 amidst the distractions of World War II Religion of Tomorrow never received the proper recognition it deserved Now some eighty years later poet philosopher John Elof

Boodin's manifesto for a popular Christian renaissance is more necessary than ever. With an informative historical biographical introduction and more than one hundred textual notes, editor Michael A. Flannery presents Boodin's spiritual roadmap for a new audience to listen and follow the divine lure towards greater creativity and fulfillment to learn by living. Boodin invites readers to embark upon their own Christian journeys with the poets and sages of the ages at their side. Here Boodin becomes the informed travel guide, well equipped with the knowledge of history, the tools of science, the sensibilities of a poet, and the empathy of a fellow traveler, to be encouraged as was Joshua to be strong and courageous. Do not be frightened and do not be dismayed for the Lord, your God, is with you wherever you go. *Pentecostal Theology and Jonathan Edwards* Amos Yong, Steven M. Studebaker, 2019-11-14. This volume brings America's theologian and one of the fastest growing forms of Christianity into dialogue. Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons. Edwards and Pentecostals descend from a common historical tradition: North American Evangelicalism. From revivalism and religious charismatic experience to pneumatology, they also share common theological interests. Though sharing a common history and core theological concerns, no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred. This is the first volume that provides Pentecostal readings of Edwards' theology that contribute to Pentecostal theology and Edwards scholarship. The contributing essays offer examination of affections and the Spirit, God and Salvation, Church and culture, and mission and witness. **God Only Knows** Jeff Sellars, 2015-12-14. The Beach Boys are one of rock's most enduring and enigmatic groups, and while the band has been the subject of numerous biographies and other in-depth studies, there has been no focused evaluation of the religious and spiritual themes in their work. Spiritual and theological themes are present in much of their work, and when this realization is coupled with Brian Wilson's mission to spread the gospel of love through records and his sense of music as spiritual, of thinking pop music is going to be spiritual, that's the direction I want to go. This is a striking way to explore the band's music. In *God Only Knows*, the contributors attempt to come to grips with just a small amount of this band's massive output by circling around its theological virtues. Each section of the book is a loose investigation of the guiding topics of faith, hope, and love. Each essay is a free exploration of the theological and spiritual themes from the contributor's own perspectives. The Process Perspective John B. Cobb, Jeanyne B. Sletton, 2020-09-16. Sometimes you just want to know the answer to a question that's been bugging you, especially when it comes to that intriguing but sometimes challenging thing called process theology. Here at last is exactly the right book with questions written by people like you and answers developed by that best of all process thinkers, John B. Cobb Jr. Whether you plunge right in by reading it straight through or dip into the issues bit by bit, you'll find yourself a partner in a deeply engaging conversation. MARJORIE SUCHOCKI, author of *The Whispered Word: A Theology of Preaching* and *In God's Presence: Theological Reflections on Prayer*. Within these lucid pages, one of the great minds of our time speaks with profound clarity. Herein lie the Big Questions. And these are the answers that changed my life. PATRICIA ADAMS.

Scharper,1997 What is the proper role of humans in light of the ecological crisis After a sympathetic and critical analysis of the principal answers to that question Stephen Scharper argues that only a religious point of view seeing human agency as central to both the devastation and the reclamation of planetary life is viable Such a view must include social economic cultural as well as theological transformation in order to be effective in confronting threats to the ecosystem Among the principal answers or paradigms assessed by this book are the new cosmology ecofeminism process thought Gaia theory and liberation theology Each of these recognizes the role of the human in the present environmental crisis But each of these also approaches the human problematic in incomplete or inadequate ways Thus *Redeeming the Time* is both an examination of the state of the question and a constructive effort at building among the various current paradigms and remedying or redeeming their inadequacies BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Joyce in the Belly of the Big Truck; Workbook** Joyce A.
