Prodigals Return:

Creating a Prodigal-Friendly Church Jeff Lucas, 2009-05-26 Most of us have prodigals in our lives whether a child brother sister husband wife or friend The ache for these dear ones is like no other They may hurt us and disappoint us but somehow we cannot stop loving them And yet we cannot live their lives for them The Prodigal Friendly Church looks at why people leave the church how we can retain them how we can reach those who have already gone and how we can help those who return feel like they belong Jeff Lucas offers no easy recipes for success but plenty of truth telling hope and encouragement This book discusses the principles of Reach How do we reach those who've already left the church Return How do we help people return to the church Retain How do we retain the people we've worked so hard to reach Ultimately we are called to bring our prodigals to the cross of Christ for there we find the mingling of our own utter helplessness and God's total power to intervene and save When the Father's house is filled with the Father's love there is hope that the prodigals will come home

Through the Eyes of a Prodigal Danny Casas Jr., 2012-06-13 Have you lost hope that your wayward son or daughter will ever return to Christ In this powerful book Through the Eyes of a Prodigal Pastor Danny challenges you to believe that God is still able to set them free A former prodigal himself he knows this personally As a teenager Danny turned away from the Lord and fell deep into sin Eventually returning to the Lord he shares his poignant story and examples of other prodigals to re-ignite hope to those whose flame is dying In this inspiring book you will find Powerful stories of prodigals coming home Insight for parents with rebellious church kids A direct message to prodigals Practical steps in reaching them today What awesome revelation and insight into the mind and heart of a former prodigal Pastor Danny's openness and transparency about his life experiences gives us firsthand knowledge into how and why someone who is raised in church by godly parents can turn away from God More importantly his book gives parents hope that no matter how impossible things might look God's word never left him For parents who look to Proverbs 22:6 as God's promise for their children this book reinforces that promise Pastor Richard Salazar senior pastor New Harvest Norwalk *Hope for the Prodigal* Jim Putman, Bill

Putman, 2017-08-01 The statistics are sobering between 80 and 90 percent of kids who have grown up in the church are leaving the church after age eighteen Children slipping away into a culture that tells them the Bible isn't true sin is no big deal God isn't real or there are many ways to get into heaven Whether parents may blame themselves or the culture the result is the same lost souls But our God specializes in lost souls and the gospel is as powerful as it ever was With wisdom that comes from personal experience Jim Putman and his father Bill Putman offer brokenhearted parents and loved ones hope for their prodigals A prodigal son himself Jim has also found himself in the role of the prodigal's father when his own son rejected the faith This family's powerful story of restoration along with solid biblical truths and practical advice will inspire motivate and equip readers to go after their lost sheep with acts of love and service **Will Your Prodigal Come**

Home? Jeff Lucas, 2009-12-15 If you have had your heart broken by a prodigal you know the pain of being hurt or

disappointed by a loved one and the utter despair of seeing them turn away from Christ and the cross In *Will Your Prodigal Come Home* author Jeff Lucas delivers a message that is both challenging and comforting as he outlines the chaotic situations and emotions that families of prodigals face Lucas acknowledges that every prodigal is different Some have defied God Some are lured by drugs alcohol or crime Others have drifted until the emotional and physical distance feels unbearable Still others are in church pews with hearts closed to Jesus Clearly there are no easy answers But through understanding insight into the emotions that form within families and an acknowledgement of the power of prayer this book outlines a solid approach to help guide your prodigal home and help you keep your own faith as you wait *The Prodigal's Return* (Mills & Boon Vintage Superromance) Anna DeStefano, 2014-01-27 Does going home mean living with the past or living down the past The death of teenager Bobby Compton shocked the community of Rivermist Georgia It also destroyed the lives of Neal Cain and Jennifer Gardner Neal was sent to prison and Jennifer's life spiraled out of control until the birth of her daughter forced her to grow up *Meditations Upon the Parable of the Prodigal Son* Obadiah Grew, 1684 *Getting your Kids Through Church Without Them Ending Up Hati* Rob Parsons, 2011-04-01 How to raise kids with a healthy view of Christians the church themselves and God It is every Christian parent's fear what if my child falls away because of something I did or said or was Rob Parsons is extremely reassuring His pragmatic candid approach provides both parenting advice and guidance for parents about their own spiritual development Rob identifies five traits which can quench faith in your child busyness cynicism hypocrisy judgementalism and over familiarity your children never know when they should take off their shoes He teaches that disappointment is an inevitable part of growing up There will come a time when they are disappointed with Christians the Church themselves and even God We should teach our children how to love God even when things fall apart Do not hide your children from the world instead help them to discriminate Above all provide them with a vision of what they can be and can achieve Peter became a fisher of men *The Return of the Prodigal* May Sinclair, 1914 This historic book may have numerous typos and missing text Purchasers can download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1914 edition Excerpt that by Wrackham's invitation I'm not sure that he hadn't his eye on me he had his eye on everybody in those days when you know his vogue his tremendous vogue was just perceptibly on the decline I found him changed rather pitifully changed and in low spirits They the terrible profane young men had been going for him again as he called it Of course when they really went for him he was all right He could get over it by saying that they did it out of sheer malevolence that they were jealous of his success that a writer cannot be great without making enemies and that perhaps he wouldn't have known how great he was if he hadn't made any But they didn't give him much opportunity They were too clever for that They knew exactly how to flick him on the raw It wasn't by the things they said so much as by the things they deliberately didn't say and they could get at him any time easily by praising other people Of course none of it did any violence to the supreme illusion He was happy I think he liked writing his dreadful

books There must have been something soothing in the act with its level facile fluency I know he enjoyed bringing them out He gloated over the announcements He drew a voluptuous pleasure from his proofs He lived from one day of publication to the other there wasn't a detail of the whole dreary business that he would have missed It all nourished the illusion I don't suppose he ever had a shadow of misgiving as to his power What he worried about was his prestige He couldn't help being aware that with all he had there was still something that he hadn't He knew he must have known that he was not read not recognized by the people who admired Ford Lankester He felt their
