Iskwewak Kah' Ki Yaw Ni Wahkomakanak Janice Acoose, 2016-02-05 Now in its second edition this groundbreaking work of literary and cultural criticism analyzes representations of Indigenous women in Canadian literature By deconstructing stereotypical images of the Indian princess and easy squaw Janice Acoose calls attention to the racist and sexist depictions of Indigenous women in popular literature Blending personal narrative and literary criticism this revised edition draws a strong connection between the persistent negative cultural attitudes fostered by those stereotypical representations and the missing and murdered Indigenous women in Canada Acoose decolonizes written English by interweaving her own story with reflections on the self determination of her female ancestors and by highlighting influential Indigenous female writers who have resisted cultural stereotypes and reclaimed the literary field as their own This important text urges both Indigenous and non Indigenous people to move beyond words to challenge the harmful attitudes that condone violence against Indigenous women Thoroughly updated and featuring new photographs questions for critical thought and a discussion of Indigenous women s literary voices that have emerged in the past twenty years the second edition of *Iskwewak* is an invaluable resource for students and teachers of Indigenous studies women s studies and literature

Tangled Roots: Social and Psychological Factors in the Genesis of Terrorism J. Victoroff, Jeffrey Ivan Victoroff, 2006-11-14 What do we really know about the

contributing causes of terrorism Are all forms of terrorism created equal or are there important differences in terrorisms that one must know about to customize effective counter strategies Does poverty cause terrorism This book talks about the basic human ingredients that combust to produce violent extremism *International Terrorism: A Compilation of U.N. Documents (1972-2001)* M. Cherif Bassiouni, 2023-04-17 An extensive body of law designed to control international terror violence has come into being and it is this assembly of reports and resolutions conventions and scattered treaty provisions that we must rely on as we move toward an enforceable unambiguous anti terrorism regime in international law These legal instruments are gathered together for the first time in this definitive two volume set The only published source of all United Nations documentation since 1972 on the subject of terrorism including all 180 reports and resolutions adopted since that date and up to June 2001 Plus an introductory article by the editor provides a forward looking view of the evolving challenges in combating the ever changing manifestations of terror violence Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052278 Program [of The] Annual Meeting American Medico-Psychological Association, 1891 **Recitations for Young Speakers, Or, Popular Program** Henry Davenport Northrop, 1899 Bush, the Detainees, and the Constitution Howard Ball, 2007 Focuses on the recent Enemy Combatant Cases to provide a stern critique of the legal and constitutional basis for the enormous expansion of presidential power during the Bush administration s War on Terror and the challenges especially in the Supreme Court that such expansion has inspired *Learning with Lenin* Derek R. Ford, Curry Malott, 2019-02-01 Learning with Lenin brings together for the first time Lenin s classic texts and his speeches and writings on education To facilitate educators and activists engagement with these works a study and discussion guide accompanies each text Learning with Lenin contributes to the rematerialization of a revolutionary movement in the U S by focusing on the pedagogy of Lenin After a series of setbacks and attacks that seriously degraded its status in both working class struggles and educational theory socialism is once again on the rise Like the generations before them organizers activists and educators are once again turning to classic works of socialism to understand and respond to the systematic depravities of imperialism white supremacy and settler colonialism Learning with Lenin will assist anyone interested in reading and applying Lenin s theories to our current era with all of its complexities and contradictions Praise for Learning with Lenin Renowned education psychologist Lev Vygotsky knew quite well that Lenin had much to teach us about the relationship between education and revolution In Learning with Lenin Derek Ford and Curry Malott help bring Lenin s valuable insights into today s struggle for a society that meets the needs of humanity and the planet Wayne Au Professor UW Bothell author of A Marxist Education *The Peerless Reciter, Or, Popular Program* Henry Davenport Northrop, 1894 Weapons of Terror Weapons of Mass Destruction Commission (Stockholm, Sweden), Hans Blix, 2006 Nuclear biological and chemical weapons are designed to cause destruction on a vastly greater scale than any conventional weapons with the potential to kill thousands in a single attack and with effects that may persist in the

environment and in our bodies indefinitely This report by the independent Weapons of Mass Destruction Commission chaired by Dr Hans Blix sets out 60 recommendations on how the world community national governments and civil society should address this global challenge under the following headings preventing the proliferation of nuclear weapons preventing nuclear terrorism reducing the threat and numbers of existing nuclear weapons moving from regulating nuclear weapons to outlawing them biological and toxin weapons chemical weapons weapons of mass destruction WMD delivery means missile defences and weapons in space export controls international assistance and non governmental actors compliance verification enforcement and the role of the United Nations
