12.2 INTRODUCTION

The ideas that can be considered as adhering to the philosophy of socialism began to emerge in the sixth century. The ideas of emancipation of the poor, justice and equality for all, etc constituted socialist thought in the early times. However, socialism as is comprehended today is a much later development. It was in the late eighteenth and the early nineteenth centuries that socialism gained predominance as a progressive model of the society and was envisioned as an advanced stage of the society beyond capitalism.
