## **Privatisation Politics And Economic Performance In Hungary:**

**Privatisation, Politics, and Economic Performance in Hungary** Zoltan Antal-Mokos, 1998-02-05 Why do some privatisations apparently fail to produce expected positive results Economic theory tells us that privatisation should improve efficiency but this book originally published in 1998 suggests that political bargaining in the process of privatisation works against the results we expect to achieve To gain a better understanding of what privatisation is really about power at a firm level needs to be understood Privatisation is a gradually unfolding evolutionary process often with defective corporate governance Politicking can take priority over performance with the result that efficiency is ignored and profitability is affected This is a comprehensive book on privatisation which focuses on micro level behavioural issues and it uses exceptionally rich case evidence to illustrate that privatisation is more about politics than performance **Privatisierung und öffentliche Finanzen** Dirck Süß, 2016-09-12 Keine ausführliche Beschreibung für Privatisierung und öffentliche Finanzen verfügbar **The Political Economy of Privatization** Thomas Clarke, Christos Pitelis, 2005-08-17 This book considers the many facets of the privatization process in advanced industrialised countries along with the marketization of Eastern Europe and the pressures on developing countries to adopt privatization as the route to growth Privatization and Economic Performance in Central and Eastern Europe European Association for Comparative Economic Studies, 1999 This important book provides a comprehensive analysis of the impact of privatization on the economic performance of companies in Central and Eastern Europe It sheds new light on the achievements and shortcomings of the privatization process and draws out lessons for the future After considering the theoretical issues surrounding privatization the authors provide an in depth examination of corporate governance and company performance in advanced market economies as well as transition economies They begin with a description of the main principles techniques and results of privatization in Bulgaria Estonia Hungary and Poland A statistical and econometric analysis of extensive company level data and interviews from a large number of firms between 1990 and 1997 is then conducted to discover the main factors in changing economic performance Using this information the authors compare the transformation of the company sectors in the four countries and in addition assess company restructuring from the perspective of West European privatizations Privatization and Economic Performance in Central Eastern Europe will be of interest to policymakers in governments and international organizations and those working in the fields of microeconomics industrial organization and transition studies *International Handbook on Privatization* David Parker, David S. Saal, 2003-01-01 Privatization has dominated industrial restructuring programs since the 1980s and continues to do so This authoritative and accessible Handbook considers all aspects of this key issue including the theory of privatization privatization in transition developed and developing economies as well the economic regulation of privatized industries **Ungarn seit 1945** Árpád von Klimó, 2006 *rp d von Klim s Einf hrung ist die erste systematische und historische Darstellung der politischen Kultur und Gesellschaft Ungarns im europ ischen Kontext* **Journal of Economic**
