Privilege Power And Difference:

Privilege, Power, and Difference Allan G. Johnson, 2001 This brief supplemental book provides students with an easily applied theoretical model for thinking about systems of privilege and difference Writing in accessible conversational prose Johnson joins theory with engaging examples in ways that enable students to see the nature and consequences of privilege and their connection to it Privilege Michael S. Kimmel, Abby L. Ferber, 2016-07-12 Privilege is about more than being white wealthy and male as Michael Kimmel Abby Ferber and a range of contributors make clear in this timely anthology In an era when diversity is too often shorthand for of color and or female the personal and analytical essays in this collection explore the multifaceted nature of social location and consider how gender class race sexual orientation disability and religion interact to create nuanced layers of privilege and oppression The individual essays taken together guide students to a deep understanding of the dynamics of diversity and stratification advantage and power The fourth edition features thirteen new essays that help students understand the intersectional nature of privilege and oppression and has new introductory essays to contextualize the readings These enhancements plus the updated pedagogical features of discussion questions and activities at the end of each section encourage students to examine their own beliefs practices and social location

What Comes After Occupy? Todd A. Comer, 2015-10-05 Occupy Wall Street as centered in New York City received much publicity Little attention however

has been granted to the hundreds of Occupy groups in marginal locations whose creative politics were certainly not limited by the influential example of Occupy in Zuccotti Park This volume rectifies this oversight with thirteen essays critically addressing the politics of occupation in places such as Indiana Oregon Texas Ohio Pennsylvania Montana and California It initiates an interdisciplinary and critical discussion concerned with the importance of the local to contemporary politics the evolution of Occupy Wall Street tactics as they changed to fit differing non spectacular contexts and what worked or did not work politically in various contexts All of the above is designed to inform and improve that as of yet unnamed movement which will come after Occupy Boasting scholars from sociology English anthropology peace studies and history the volume is divided into three major sections Occupying the Local Promise and Predicament Occupying Space and Borders South East and West and Occupying the Media Local Regional and National Dilemmas *It's Not You, It's the Workplace* Alton B. Harris, Andrea S. Kramer, 2019-09-05 Why is it that many women believe that working with other women is harder than working with men A clue it s not because women actually are harder to work with After decades of working to help women to succeed at work Andie Kramer and Al Harris noticed the same thing over and over again Women s relationships with other women are causing conflict in the workplace and this is hindering careers across the board Their research demonstrates that at the root of these clashes lie stereotypes toxic assumptions and societal expectations about how women should behave Through extensive research and hundreds of interviews Andie and Al have identified the most fraught scenarios of women working for working with supervising and collaborating with other women It s Not You It s the Workplace provides practical immediately usable techniques that will allow women to develop strong networks that will foster their career success and organizations to structure their policies and practices unlocking the potential of women in team situations The companies that succeed in the future will be those where bias no longer blocks women s career satisfaction or advancement to leadership *Difference Matters* Brenda J. Allen, 2004 Aimed at students of organizational communications this text separates the concept of socially constructed identity from its theoretical underpinnings to discuss communications between different categories of identity Allen U of Colorado Denver takes categories of difference gender race class sexuality age and ability in turn to remind her students that each matters despite the traditions of prejudice Each chapter includes questions for reflection Annotation 2004 Book News Inc Portland OR booknews com [Engaging the Whole of Service-learning. Undocumented Storytellers Sarah C. Bishop, 2018-12-03 Undocumented Storytellers offers a critical exploration of the ways undocumented immigrant activists harness the power of storytelling to mitigate the fear and uncertainty of life without legal status and to advocate for immigration reform Sarah C Bishop chronicles the ways young people uncover their lack of legal status experientially through interactions with parents in attempts to pursue rites of passage reserved for citizens and as audiences of political

and popular media She provides both theoretical and pragmatic contextualization as activist narrators recount the experiences that influenced their decisions to cultivate public voices Bishop draws from a mixed methodology of in depth interviews with undocumented immigrants from eighteen unique nations of origin critical rhetorical ethnographies of immigrant rights events and protests and narrative analysis of immigrant produced digital media to interrogate the power and limitations of narrative activism Autobiographical immigrant storytelling refutes mainstream discourse on immigration and reveals the determination of individuals who elsewhere have been vilified by stereotype and presupposition Offering an unparalleled view into the ways immigrants stories appear online Bishop illuminates digital narrative strategies by detailing how undocumented storytellers reframe their messages when stories have unintended consequences The resulting work provides broad insights into the role of strategic framing and autobiographical story sharing in advocacy and social movements

The Social Construction of Difference and Inequality: Race, Class, Gender and Sexuality Tracy E. Ore, 2006 This anthology examines the social construction of race class gender and sexuality and the institutional bases for these relations While other texts discuss various forms of stratification and the impact of these on members of marginalized groups Ore provides a thorough discussion of how such systems of stratification are formed and perpetuated and how forms of stratification are interconnected The anthology supplies sufficient pedagogical tools to aid the student in understanding how the material relates to her his own life and how her his own attitudes actions and perspectives may serve to perpetuate a stratified system

Bakhtin Valerie Z. Nollan, 2004 The early work of Mikhail Bakhtin is notable for its emphasis on questions in ethics and philosophy Focusing on these early writings though also informed by Bakhtin s later works of the early 1970s the authors in this volume explore the human and prosaic dimensions of ethical and moral dilemmas whether in the philosophical concerns of the Young Hegelians the iconography and implicit doctrine of Christian redemption in Dostoevsky s *Crime and Punishment* in testimonial accounts of political martyrs in Latin America or in the nationalist features of Russian Village Prose Incorporating a variety of disciplinary backgrounds into their essays including theater arts philosophy history women s studies Latin American literature and Russian literature the authors take Bakhtin s ethics as articulated in his writings of 1919 1929 and extend them into areas of thought that themselves enter into fruitful dialogue with his theoretical positions endeavoring at all times to remain cognizant of both Russian and Western views of Bakhtin The essayists interactions attest to the productivity of any thoughtful encounter with Bakhtin s work and to the transformational nature of his work s impact on the myriad disciplines that it affects Bakhtin s thought exerted a profound systemic influence on many areas of knowledge as they have been configured in the twentieth century and as this volume amply demonstrates promises to do the same for the twenty first
