Commons**

Pro Choice Vs Pro Life The Abortion Debate In Canada:

The Politics of Abortion in the United States and Canada Raymond Tatalovich, 1997 Tatalovich political science Loyola U continues his studies on moral conflicts in public policy by examining the differences and similarities by which Canadian and US governments political parties and activists have addressed the issue of abortion He discusses the history of the conflict since the 1950s judicial activism and legislative responses public opinion party politics and elections and federalism and the implementation problem Having proposed models of a politicized America and depoliticized Canada he concludes by comparing social convergence and institutional divergence Paper edition 418 7 21 95 Annotation copyrighted by Book News Inc Portland OR

The Abortion Debate in the United States and Canada Maureen Muldoon, 2021-03-19 First published in 1991 Over the last twenty five years or so the debate on abortion has not moved any closer to resolution in either the United States or Canada The courts the legislatures the pulpits the classrooms the hospitals and clinics and the media have provided the forums for this on going struggle Two groups of activists have dominated the debate The opponents of abortion who are referred to as anti abortion or pro life advocate restrictive policies on abortion while the pro choice groups direct their attempts to creating a permissive policy that allows a woman to make her own decision The anti abortion advocates and the pro choice advocates alike have learned the skills and developed the strategies to advance their own positions Whatever legal and public policy gains are made by one side are often countered by moves from their opponents There is available a vast amount of material related to the topic of abortion From the extensive and diverse literature this book draws a collection of relevant materials primarily representing aspects of the sociological philosophical religious and legal aspects of the abortion issue Its purpose is to serve as a source book for those interested in seeing how the abortion debate has been conducted within the recent past The book also serves as a reference work for further study Debates in Canadian Society Ronald Owen Hinch, 1992 Moral Controversies in American Politics Raymond Tatalovich, Byron W. Daynes, Theodore J. Lowi, 2014-12-18 No area of public policymaking is more hotly debated than the use of government authority to enforce certain standards of behavior in areas of moral controversy Now thoroughly revised and updated this collection examines a variety of such policy areas ranging from abortion and affirmative action to gay rights including two new chapters on animal rights and hate crimes In discussing each policy area the book examines relevant issues and arguments as well as policy shifts over time It considers the roles of key political and institutional actors in policymaking including lobbies and interest groups the bureaucracy the president Congress the judiciary and state and local authorities Written in an accessible style that is sure to spark classroom discussion each chapter of this new edition includes a list of relevant books web sites and videos for further research *The Abortion Controversy in Canada and the United States* Raymond Tatalovich, 1996 Doctors and Demonstrators Drew Halfmann, 2011-07-15 Since Roe v Wade abortion has continued to be a divisive political issue in the United States In contrast it has remained primarily a medical issue in Britain

and Canada despite the countries shared heritage *Doctors and Demonstrators* looks beyond simplistic cultural or religious explanations to find out why abortion politics and policies differ so dramatically in these otherwise similar countries Drew Halfmann argues that political institutions are the key In the United States federalism judicial review and a private health care system contributed to the public definition of abortion as an individual right rather than a medical necessity Meanwhile Halfmann explains the porous structure of American political parties gave pro choice and pro life groups the opportunity to move the issue onto the political agenda A groundbreaking study of the complex legal and political factors behind the evolution of abortion policy *Doctors and Demonstrators* will be vital for anyone trying to understand this contentious issue

The Politics of Abortion M. Janine Brodie, Shelley A. M. Gavigan, Jane Jenson, 1992 Critically examines the politics of abortion in Canada leading up to and after the historic Morgentaler decision *Just the Facts* Michele C. Moore, Caroline M. De Costa, M. D. Michele C. Moore, 2007-09 There are many books about abortion These books may argue for one side or the other of the abortion debate but until now what has been lacking is a book that just simply gives the facts about abortion facts that are evidence based and reflect good scholarship *Just the Facts Abortion A to Z* is the book that answers this need Regardless of which side of the abortion debate a reader espouses she can find in this book answers to questions that vex her The authors are women physicians who have extensive experience in women s health and in writing accessible information for the lay reader The entries are illuminated by real life stories of women who have had to face the question of abortion and the various decisions made by them in their particular circumstances **Pro-choice Vs. Pro-life** Frederick Lee Morton, 1992 In many ways paralleling the phenomenally successful *Gideon s Trumpet* which describes the landmark US Supreme Court decision that created a constitutional right to publicly paid counsel this impartial history provides a fascinating account of how the abortion debate changed the legal and political **Health Care Ethics in Canada** Françoise Baylis, 1995 *House of Commons Debates, Official Report* Canada. Parliament. House of Commons, 1990 **Debates** Canada. Parliament. Senate, 1986 **Feminist Collections**, 1992 *Official Report of the Debates of the House of Commons* Canada. Parliament. House of Commons, 2003 **Health Law in Canada**, 1993 **Debates of the Senate: Official Report (Hansard)**. Canada. Parliament. Senate, 2000 **Communities and Social Policy in Canada** Brian Wharf, 1992 *A Bibliography on Foreign and Comparative Law*, 1955 *University of Toronto Faculty of Law Review*, 1989 *The Dictionary of Canadian Quotations* John Robert Colombo, 1991 This dictionary offers more than 6 000 quotations on some 900 subjects Arranged alphabetically according to the subject the book s extensive index identifies the 2 500 authors of the extracts
