A Problem Called Chavi Eva Vogiel, 1985 What happens when a big new family moves into a small quiet respectable English town A lot can happen and when the Mendels moved into Newfield most of it did First of all there was Yossi impossible Yossi the Mendel s youngest son who was always in trouble infuriating the neighborhood over and over again Then there was Mrs Mendel whose husband worked out of town all week long Left with a houseful of lively children she was barely able to cope And worst of all there was fourteen year old Chavi Surly defiant and unfriendly Chavi disliked everyone and everyone disliked her in return Even when the girls at Beis Leah Senior School started their Achdus Campaign a project to promote friendship and good will throughout the community Chavi refused to cooperate Entrenched behind her self made wall of hostility she annoyed and upset everyone around her Everyone that is except her next door neighbor and classmate Shifra Perlstein Not one to be put off by a difficult job Shifra was determined to find a way into Chavi s heart She stubbornly continued to blunder uninvited into Chavi s private world Even though her friends laughed at her and the reward for her efforts was usually a bristling Mind your own business she did not give up Until one day there was a frightening accident
