**Problems of Socialism Today** Santiago Carrillo,1970      **Socialism Today and Tomorrow** Michael Albert,Robin Hahnel,1981 Socialism Today and Tomorrow by Michael Albert and Robin Hahnel seeks to understand and evaluate post capitalist experiences in the Soviet Union China and Cuba and to present a new socialist vision relevant for the United States and other industrialized countries It addresses issues concerning political economic kinship and community relations

Radical Politics in Britain R. G. Williams,2022-07-13 This book is a study of British politics from a Socialist and Left wing perspective It outlines the causes and consequences of the contemporary crisis in British society since 2008 and the impact they may have on the Left      The Japanese Ideology Tosaka Jun,2024-09-17 A major Marxist thinker and critic in 1930s Japan Tosaka Jun was among the world s most incisive yet underrecognized theorists of capitalism fascism and ideology during the years before World War II The Japanese Ideology is his masterpiece first published in 1935 as Japan and the world plummeted into an age of reaction Tosaka offers a ruthless philosophical critique of contemporary ideology that exposes liberalism s deep complicity with fascism The Japanese Ideology provides a materialist analysis of the reactionary ideology then overtaking Japan with profound significance for anywhere fascism has taken root Modeled after Marx and Engels s The German Ideology it critiques idealism as the common ground for liberalism and fascism against which only historical materialism can suffice Tosaka demonstrates how liberal and fascist ideas at once justified and concealed Japan s colonization of East Asia and he investigates the many traces of fascism in Japanese thought and society The Japanese Ideology makes an important intervention in Marxist theory by criticizing reliance on the East West binary and the notion of the Asiatic mode of production Robert Stolz s translation introduces Anglophone readers to a classic of twentieth century Marxist thought by an unsung peer of Gramsci and Benjamin with striking relevance today      **Socialism and Social Problems** Leon Durocher,1911      **Socialism in America** John L. Bowman,2005 In 1835 Alexis de Tocqueville predicted a species of oppression with which democratic nations are menaced unlike anything which ever before existed in the world It was a despotism that would be more extensive and would degrade men without tormenting them It would be a force that compresses enervates extinguishes and stupefies a people till each is reduced to be nothing better than a flock of timid animals of which the government is the shepherd Tocqueville was predicting socialism in America a new form of oppression that did not exist in his time He could not name it at the time because the word socialism had not yet appeared in the English language and Karl Marx had not yet published his Communist Manifesto America has become a socialist state and this book is about what socialism is doing to America today Socialism is an oppression that has caused America to discard the rule of law forsake justice limit freedom attenuate individuality create dependence degrade social norms attack sources of wealth and divide the culture This form of despotic totalitarianism has irreversibly commenced the destruction of American culture and nation Socialism in America offers the reader the perspective of and how and why this is happening It explains the

history of socialism and in particular the history of socialism in America It discusses the roles of socialism s foremost vectors which are primarily the unions and Democratic Party It critically dissects the philosophy of socialism itself and examines other countries struggles to survive under the heavy socialist boot Every freedom loving American should read this book

Studies of Left-Wing Ideas R. G. Williams,2022-07-13 This book is a collection of essays on radical left wing ideas specifically Socialism and Socialist Humanism It outlines the basic ideas which make up left wing thought and ultimately provides a political argument that the ideas of Socialism and Socialist Humanism are crucial to building a better world
