Problems Poetics Of The Nonaristotelian:

Problems and Poetics of the Nonaristotelian Novel Leonard Orr, 1991 In this work an alternative tradition in fiction is played off against the mainstream novel genre conventions reader expectations and the audience's worldview

Narrative im Bruch Anna Babka, Marlen Bidwell-Steiner, Wolfgang Müller-Funk, 2016-08-15 Aus genuin transdisziplinärer Perspektive entfaltet und diskutiert der Band insbesondere theoretische Fragestellungen die sich aus der Beziehung von Narration und Bruch ergeben Dabei kommen nicht nur vielfältige narratologische Modelle zu Wort vielmehr wird das Thema der gebrochenen und brüchigen Narrative auch im Hinblick auf theoretische Basiskonzepte vielstimmig erörtert und breit konturiert Das Spektrum der Beiträge reicht von gleichsam neo narratologischen zu kognitionstheoretischen von philosophisch dekonstruktiven zu gender und queertheoretischen bis hin zu biographie und autobiographietheoretischen Ansätzen

The Poetics of Novels M. Axelrod, 1999-09-17 The Poetics of Novels deals with the fundamentals of novel writing and the execution of such and though it engages specific notions of literary and cultural theory it privileges the architectonics of the texts themselves as it crosses boundaries of both time and culture Novels include Austen's Northanger Abbey Beckett's Company Brontë's Wuthering Heights Cervantes' Don Quixote Flaubert's Madame Bovary Hamsun's Hunger Hardy's Tess of the D'Urbervilles Lispector's Hour of the Star and Smart's By Grand Central Station I Sat Down and Wept

Unnatural Narratives - Unnatural Narratology Jan Alber, Rüdiger Heinze, 2011-09-29 In recent years the study of unnatural narratives has become an exciting new but still disparate research program in narrative theory For the first time this collection of essays presents and discusses the new analytical tools that have so far been developed on the basis of unnatural novels short stories and plays and extends these findings through analyses of testimonies comics graphic novels films and oral narratives Many narratives do not only mimetically reproduce the world as we know it but confront us with strange narrative worlds which rely on principles that have very little to do with the actual world around us The essays in this collection develop new narratological tools and modeling systems which are designed to capture the strangeness and extravagance of such anti realist narratives Taken together the essays offer a systematic investigation of anti mimetic techniques and strategies that relate to different narrative parameters different media and different periods within literary history

Peter Ackroyd J. Gibson, J. Wolfreys, 2000-04-07 Peter Ackroyd The Ludic and Labyrinthine Text offers the reader the first major critical study in English of one of Britain's most inventive playful and significant writers of the twentieth century This study playfully yet rigorously engages with these aspects of literary stylistics and personal and national identity so important in Ackroyd's work Rejecting the postmodern label previously attached to the author Gibson and Wolfreys provide a consideration of all Ackroyd's writing to date from his poetry and critical thought to his novels and biographies offering an indispensable account to anyone interested in Ackroyd and the condition of the novel at the end of the twentieth century

New Comparison, 1993 Yeats and Postmodernism Leonard Orr, 1991 In the last twenty five years there has been a revolution in literary study in the English speaking world involving two related shifts in understanding One is the recognition that the study of literature requires a theoretical grounding and the other is an acknowledgement that such a grounding is contingent upon the realization that ours is a postmodernist world Despite much resistance from traditional literary historians and formalist critics both of these assumptions influence many of today's most forceful and insightful academic literary analyses Yet Yeats scholarship has remained largely embedded in traditional modes of critical theory For the first time this collection of original essays applies a wide spectrum of contemporary critical theories to major works in the Yeats canon serving as models of how to read and work with Yeats from a postmodernist poststructuralist perspective R B Kershner for example uses Bakhtin and medical psychological studies of dyslexia to consider the written versus the oral and the inner dialogization of Yeats's writing Cheryl Herr provides a juxtaposition of the major concepts of Foucault's work especially the notion of the episteme from *The Order of Things* as applied to Yeats's *Vision* and Ronald Schleifer considers the designing gestures of postmodern rhetoric found in Yeats using the work of Lyotard Jameson O Hara and Derrida These and other provocation essays which challenge us to rethink our most basic notions of how to read Yeats offer ample evidence of the remarkable new perceptions that can be gained from applying poststructuralist criticism to Yeats *The Inn and the Traveller* Will McMorran, 2002 This comparative study explores the special part played by the inn tracing the progress of a succession of wayward heroes and narrators in five canonical texts including Cervantes's *Don Quixote* and Fielding's *Joseph Andrews* and *Tom Jones* Reference Guide to English Literature D.
