

Rag Tags Elephant

Sir Henry Yule, Arthur Coke Burnell

Rag Tags Elephant:

Entertaining Elephants Susan Nance, 2013-03-27 How the lives and labors of nineteenth century circus elephants shaped the entertainment industry Consider the career of an enduring if controversial icon of American entertainment the genial circus elephant In *Entertaining Elephants* Susan Nance examines elephant behavior drawing on the scientific literature of animal cognition learning and communications to offer a study of elephants as actors rather than objects in American circus entertainment between 1800 and 1940 By developing a deeper understanding of animal behavior Nance asserts we can more fully explain the common history of all species *Entertaining Elephants* is the first account that uses research on animal welfare health and cognition to interpret the historical record examining how both circus people and elephants struggled behind the scenes to meet the profit necessities of the entertainment business The book does not claim that elephants understood endorsed or resisted the world of show business as a human cultural or business practice but it does speak of elephants rejecting the conditions of their experience They lived in a kind of parallel reality in the circus one that was defined by their interactions with people other elephants horses bull hooks hay and the weather Nance's study informs and complicates contemporary debates over human interactions with animals in entertainment and beyond questioning the idea of human control over animals and people's claims to speak for them As sentient beings these elephants exercised agency but they had no way of understanding the human cultures that created their captivity and they obviously had no claim on human social and political power They often lived lives of apparent desperation

Delphi Collected Works of Enid Blyton (Illustrated) Enid Blyton, 2022-09-20 A highly popular British author of stories poems and educational books for children Enid Blyton produced numerous series that have remained worldwide bestsellers since the 1930s Her works largely consist of mystery or adventure stories as well as tales that take place in schools and the circus Her Famous Five Secret Seven Five Find Outers and Malory Towers are enduring classics of children's literature They feature clearly delineated good and bad characters while constructing exciting plots that illustrate traditional moral lessons Blyton's vocabulary and prose style are simple and highly accessible for beginning readers This eBook presents the largest collection of Blyton's work ever compiled in a single edition with numerous illustrations rare texts and informative introductions
