Rails Under My Back:

Rails Under My Back Jeffery Renard Allen, 2015-10-20 Will put Allen in the company of writers such as James Joyce August Wilson and Ralph Ellison The Philadelphia Inquirer When it was first published fifteen years ago Jeffery Renard Allen's debut novel *Rails Under My Back* earned its author comparisons to some of the giants of twentieth century modernism The publication of Allen's equally ambitious second novel *Song of the Shank* cemented those lofty claims Now the book that established his reputation is being restored to print in its first Graywolf Press edition Together the two novels stand as significant achievements of twenty first century literature *Rails Under My Back* is an epic that tracks the interwoven lives of two brothers Lucius and John Jones who are married to two sisters Gracie and Sheila McShan For them their parents and their children life is always full of departures someone is always fleeing town and leaving the remaining family to suffer the often dramatic sometimes tragic consequences The multiple effects of the comings and goings are devastating These are the almost mythic expression of the African American experience in the half century that followed the Second World War The story ranges as the characters do from the city which is somewhat like both New York and Chicago to Memphis to the West and to many inner and outer locales *Rails Under My Back* is a multifaceted brilliantly colored intensely musical novel that pulses with urgency and originality The Columbia Guide to Contemporary African American Fiction Darryl

Dickson-Carr, 2005-10-14 From Ishmael Reed and Toni Morrison to Colson Whitehead and Terry McMillan Darryl Dickson Carr offers a definitive guide to contemporary African American literature This volume the only reference work devoted exclusively to African American fiction of the last thirty five years presents a wealth of factual and interpretive information about the major authors texts movements and ideas that have shaped contemporary African American fiction In more than 160 concise entries arranged alphabetically Dickson Carr discusses the careers works and critical receptions of Alice Walker Gloria Naylor Jamaica Kincaid Charles Johnson John Edgar Wideman Leon Forrest as well as other prominent and lesser known authors Each entry presents ways of reading the author's works identifies key themes and influences assesses the writer's overarching significance and includes sources for further research Dickson Carr addresses the influence of a variety of literary movements critical theories and publishers of African American work Topics discussed include the Black Arts Movement African American postmodernism feminism and the influence of hip hop the blues and jazz on African American novelists In tracing these developments Dickson Carr examines the multitude of ways authors have portrayed the diverse experiences of African Americans *The Columbia Guide to Contemporary African American Fiction* situates African American fiction in the social political and cultural contexts of post Civil Rights era America the drug epidemics of the 1980s and 1990s and the concomitant war on drugs the legacy of the Civil Rights Movement the struggle for gay rights feminism the rise of HIV AIDS and racism's continuing effects on African American communities Dickson Carr also discusses the debates and controversies regarding the role of literature in African American life The volume concludes with an extensive annotated
