Rainbow Hand Poems About Mothers And Children:

The Rainbow Hand Janet Wong, 2008-11-03 The poems in this collection are about mothers and their children both from the child's perspective and the mother's. Ranging in subject from a child walking in her mother's comforting protective shadow to a ten year old girl wondering if her mother was a freak when she was ten years old to a mother holding her infant son these poems touch on all aspects of the mother-child relationship. Here is Mother's Heart. My mother's heart is a bottle I want to fill with warm milk to soothe her hurts with honey to trap her bitterness with a squirt of Tabasco. Shake her up. Inspired by her memories of her mother and her own role as a mother of a young son these poems skillfully illustrated in full color by Jennifer Hewitson create an honest portrait of timeless human connections. Sometimes funny sometimes sarcastic always sensitive the poems will find a ready audience among young people. *Poetry in Literature for Youth* Angela Leeper, 2006-03-28 Poetry in Literature for Youth offers teachers librarians parents and students with an instrumental guide for incorporating all forms of poetry into the curriculum.
