Pro Hockey Funnies:

FUNNY THINGS HAPPENED: FROM BRIGHTON TO BOCA GEORGE KARP, 2018-08-20 THIS BOOK IS A HUMOROUS MEMOIR COVERING 70 YEARS OF MY LIFE EXPERIENCES FROM MY EARLY YEARS IN BROOKLYN TO FINALLY ARRIVING IN FLORIDA MANY FUNNY INCIDENTS ARE REVEALED Book Review A thousand comic anecdotes illuminate an ordinary life in this genial memoir Debut author Karp born in Brooklyn and now retired in Boca Raton Florida uses the bare bones of his upbringing two marriages and careers in the garment industry real estate and insurance as a framework for his stories about assorted misadventures Episodes include youthful hijinks in his family's Brighton Beach apartment building many complaints came to my mother about her juvenile delinquent son flooding the basement with soapsuds pratfalls in the Army Reserve caught tanning himself with a reflecting sheet the author was accused of flashing signals to Russian submarines parenting tasks I took my drunk seven year old daughter home and certainly never told her mother a workplace Heimlich maneuver A two pound wedge of rare roast beef came flying out of his mouth and bounced along the floor like a hockey puck and romantic exploits as a rare and sought after widower on the torrid Boca seniors dating scene We certainly did not agree on political philosophy and when she asked me about a second date I told her that I would be vacationing in North Korea Famous faces make cameo appearances pop singer Neil Sedaka a boyhood friend candidate Barack Obama who shook Karp's hand at a campaign rally movie star Rex Harrison whom Karp spied being carried out of a Madrid restaurant dead drunk Most of the vignettes are wryly humorous but some have darker edges When they saw me they stopped fighting and when I realized that the man on top had a gun in his back pocket I jumped back in the car while others like a scene of the author corralling strolling musicians to serenade his wife are tender and wistful There's not a lot of rumination in this album of breezy cheerful random snapshots but together they add up to a vivid warmhearted portrait of postwar Jewish American life full of hope and laughter An endearingly picaresque set of family memories Kirkus Reviews

A Funny Thing Happened on the Way to the Senate Wyman Spano, Nona Yates, 2010-07-15 The Franken Coleman campaign saga really begins with the tragic plane crash resulting in the death of Senator Paul Wellstone That moment provided Norm Coleman his second opportunity for major political reinvention the first being when he switched parties Following the tragedy Coleman shifted gears to run a kinder gentler series of television ads that hardly mentioned his new opponent Walter Mondale Meanwhile when Republicans accused Democrats of turning the Wellstone memorial service into a carefully choreographed political rally Franken was outraged He immediately set upon a mission to unseat Coleman which ended up with their eventual head to head run in 2008 The unprecedented recount and legal drama that ultimately decided the election was an appropriate coda to what had already been an extraordinary Minnesota Senate race A Funny Thing Happened on the Way to the Senate tells the whole story [Funny Times Presents the Best of the Best American Humor](#) Raymond Lesser, Susan Wolpert, 2002 Provides a selection of the most hilarious cartoons columns essays and comic strips

Fearless Murray Townsend, 2000 There are few sports that are faster or more physically punishing than professional hockey There are also few sports that can claim to have produced such a rugged fearless brand of athlete While great stick handling skills and play making ability have always had their place on the ice it is important to remember that hockey is a team sport and a physical one at that The winning team is always the physically dominant team or to personalize the issue Mark Messier has won more Stanley Cups than Wayne Gretzky or Pavel Bure Call them character players grinders power forwards whatever term you wish today's hockey has produced an unparalleled group of strong tough and talented players Athletes such as Brendan Shanahan Eric Lindros Keith Tkachuk and of course Mark Messier play the game in a demanding physical way All are talented goal scorers all can skate as well as any player in the league all deliver punishing body checks and take an enormous amount of punishment These players aren't goons although they have no difficulty going toe to toe with any of the league's premier fighters no their job is to play the game as hard and tough as possible Fearless examines these athletes in a way never done before Stunning photography from Dan Hamilton one of the great shutter bugs to cover the sport is expertly mixed with detailed player histories and bone crunching anecdotes The result is a book as fast paced and colorful as the sport itself Fearless delivers in a way that only the players it portrays can approximate
