Problem Of Eschatology:

The Problem of Eschatology Edward Schillebeeckx, Boniface A. Willems, 1969 **Theodicy and Eschatology** Bruce Barber, David Neville, 2005 This collection of essays examine two pressing issues in theology One is theodicy that is a belief that in a just God in the face of evil and suffering in our world The other is the issue of Eschatology a belief in the fulfilment of Jesus saving mission experienced as God's healing of humanity afflicted by suffering and evil Feminist Eschatology Emily Pennington, 2016-08-25 Many feminist theologians have made timely and valuable contributions to rethinking the eschaton by framing it as cyclical and by embracing endings as they are experienced by present relational fluid and sensuous bodies However any sense of eschatological finality or ultimacy has either been rejected or ignored Feminist Eschatology seeks to think differently about Christian eschatology in light of contributions from feminist theologians noting the numerous and varied critiques they have made of traditional models These critiques are identified as being directed towards three key claims eschatology is understood to be actuated by a domineering God populated by masculinised beings and disassociated from present lives Using a form of strategic feminism wherein traits associated with female bodies and some women's experiences of their bodies are used to rethink the end time of the eschaton this book contributes to the meaning and significance of both bodies and eschatology The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women's equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re-discovering greater equality for women in the church Is the waning of both eschatology and women's equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women's equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological

egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women's inequality begins with fidelity to the future eschaton of gender equality

The Eschatological Role of the Jerusalem Temple: An Examination of the Jewish Writings Dating from 586 BCE to 70 CE Eric W. Baker, 2015-06 This research aims to investigate the role or roles of the physical Jerusalem temple within the second temple Jewish writings in terms of whether the physical temple has any role to play in relation to the pivot point in eschatology The pivot point or fulcrum in time refers to the end of the exile and perhaps the beginning of the eschaton The exile may be theological but many second temple Jewish texts address the physical gathering of the children of Israel to the land of Israel i.e. from physical exile even if the text also addresses a theological exile thus making the return a complete ingathering of the children of Israel The passages of these ancient texts have been analysed before but never with this lens Looking to see if there is any role the Jerusalem Temple performs in expected eschatological events will at least allow an answer to be given which is better than never asking the question in the first place which has been the case until now This study produces results as the Jerusalem Temple has always been a place of great expectations

Culture and Eschatology Peter C. Phan, 1985 Among the twentieth century Orthodox theologians Paul Evdokimov 1901-1970 has without doubt achieved a position of preeminence Born in St Petersburg and emigrated to Paris in 1923 Evdokimov was educated at the Sorbonne and Aix en Provence and taught at the Institut Saint Serge until his death in 1970 He was very active in the ecumenical movement especially in the World Council of Churches He was also the official Orthodox observer at the Second Vatican Council This book the first full length English study of Evdokimov's theology concentrates on culture eschatology and iconography three central pillars of the Evdokimovian theological edifice According to Evdokimov everything in human culture must be viewed in light of the End the already realized and yet to come eschatological fulfillment in Jesus Christ The symbol and embodiment of this eschatology is the icon which makes present and participates in the transfigured reality of the Kingdom of God

The Holy Spirit and Eschatology in Paul Neill Quinn Hamilton, 1957

The Anointed Community Gary M. Burge, 1987 Recent research on the Johannine literature has concluded that behind these writings stands a flourishing community of Christians who lived under the tutelage of the Beloved Disciple preserved his writings and venerated his memory In this book Gary M. Burge examines one feature of this community's belief and experience the role of the Spirit in its view both of Christ and of the Christian experience

The Eclipse of Christ in Eschatology Adrio König, 1989 König is persuasive and provocative His biblical and historical approach to systematic theology stays close to the pulse beat of the divine heart which we encounter in the Christ for us in us and with us Eschatology has to do not with the last things but with the person of Christ who is the first and the last One With this book König has pointed the way forward for a whole new generation of theological studies This book combines critical dogmatic inquiry with careful exegetical work in the finest of the tradition in biblical theology The result is a book on eschatology which is irenic in tone relevant to contemporary issues and surprising in its simplicity This

book with inspire pastors to preach once again with conviction on the eschatological themes essential to Christian life and faith It might also put eschatology back once again into the theological curriculum *Diversity in Paul's Eschatology* S. Sobanaraj,2007 Study on the works of Saint Paul the Apostle ca 10 67 Apostle to the Gentiles **Dictionary of the Apostolic Church** James Hastings,John Alexander Selbie,John Chisholm Lambert,1915 **Words of Reconciliation** ,1892

The Return of Christ G. C. Berkouwer,1972 Becoming a vampire saved Alyssa from death but the price was high the loss of everything and everyone attached to her mortal life She s still learning to cope when a surprise confrontation with Santino Vitale the Acta Sanctorum s most fearsome hunter sends her fleeing back to the world she once knew and Fallon the friend she s missed more than anything Alyssa breaks vampire law by revealing her new true self to her old friend a fact which causes strong division in the group that should support her most her clan Worse yet her revelation entangles Fallon in the struggle between vampires and hunters and The Acta Sanctorum is ready to attack again with a new army of hybrid creations the Frenzy Soldiers If Alyssa hopes to survive and keep her mortal friend safe she ll have to be willing to make a deal with the enemy and regain her clan s support It will take everyone working together in a precarious truce to fight against the Acta Sanctorum s new threat **Interpreting Neville** J. Harley Chapman,Nancy Frankenberry,1999-01-01 Interpreting Neville provides the first book length treatment of the thought of Robert Cummings Neville one of the most important and wide ranging scholars working across the fields of philosophy theology and comparative studies today Contributors assess the systematic structure and methodological unity of Neville s trilogy Axiology of Thinking provide a postmodern contextualization Neville s philosophy and evaluate the critical relation of Neville history of Western philosophy Metaphysical questions crucial to Neville s project are critiqued from different vantage points theological problems are examined and the comparative issues outstanding in Neville s understanding of Chinese philosophy are assessed Enhancing the book is a rich concluding essay written by Neville himself in response to each author *Theologisches Literaturblatt* ,1910 Current Issues in Biblical and Patristic Interpretation Merrill Chapin Tenney,1975 A More Radical Gospel Gerhard O. Forde,2004 This series explores themes of Christian faith and life from the perspective of the Lutheran confession Written by respected scholars and teachers these volumes aim to apply Lutheran principles to the problems of contemporary society and to promote greater understanding between Lutherans and other Christians Book jacket **The Oecumenical Movement and the Unity of the Church** Thomas Sartory,1963 **The Eschatological Question in the Gospels** Cyril William Emmet,1911 *The Cambridge Review* ,1910
