Charles I were seen as impecunious and incompetent The traumatic civil wars regicide and a republican Commonwealth were followed by the floundering foreign leaning rule of Charles II and his brother James II before William of Orange invaded England with a Dutch army and a new order was imposed Devil Land reveals England as in many ways a failed state endemically unstable and rocked by devastating events from the Gunpowder Plot to the Great Fire of London Catastrophe nevertheless bred creativity and Jackson makes brilliant use of eyewitness accounts many penned by stupefied foreigners to dramatize her great story Starting on the eve of the Spanish Armada in 1588 and concluding with a not so Glorious Revolution a hundred years later Devil Land is a spectacular reinterpretation of England s vexed and enthralling past
