K. Patell,1994 Multi volume history of American literature *Almost Chosen People* Michael Zuckerman,1993-04-15 Few historians are bold enough to go after America s sacred cows in their very own pastures But Michael Zuckerman is no ordinary historian and this collection of his essays is no ordinary book In his effort to remake the meaning of the American tradition Zuckerman takes the entire sweep of American history for his province The essays in this collection including two never before published and a new autobiographical introduction range from early New England settlements to the hallowed corridors of modern Washington Among his subjects are Puritans and Southern gentry Benjamin Franklin and Benjamin Spock P T Barnum and Ronald Reagan Collecting scammers and scoundrels racists and rebels as well as the purest genius he writes to capture the unadorned American character Recognized for his energy eloquence and iconoclasm Zuckerman is known for provoking and sometimes almost seducing historians into rethinking their most cherished assumptions about the American past Now his many fans and readers of every persuasion can newly appreciate the distinctive talents of one of America s most powerful social critics *An Ordered Love* Louis J.

Kern,2014-07-01 An Ordered Love is the first detailed study of sex roles in the utopian communities that proposed alternatives to monogamous marriage The Shakers 1779 1890 the Mormons 1843 90 and the Oneida Community 1848 79 The lives of men and women changed substantially when they joined one of the utopian communities Louis J Kern challenges the commonly held belief that Mormon polygamy was uniformly downgrading to women and that Oneida pantagamy and Shaker celibacy were liberating for them Rather Kern asserts that changes in sexual behavior and roles for women occurred in ideological environments that assumed women were inferior and needed male guidance An elemental distrust of women denied the Victorian belief in their moral superiority attacked the sanctity of the maternal role and institutionalized the dominance of men over women These utopias accepted the revolutionary idea that the pleasure bond was the essence of marriage They provided their members with a highly developed theological and ideological position that helped them cope with the ambiguities and anxieties they felt during a difficult transitional stage in social mores Analysis of the theological doctrines of these communities indicates how pervasive sexual questions were in the minds of the utopians and how closely they were related to both reform social perfection and salvation individual perfection These communities saw sex as the point at which the demands of individual selfishness and the social requirements of self sacrifice were in most open conflict They did not offer their members sexual license but rather they established ideals of sexual orderliness and moral stability and sought to provide a refuge from the rampant sexual anxieties of Victorian culture Kern examines the critical importance of considerations of sexuality and sexual behavior in these communities recognizing their value as indications of larger social and cultural tensions Using the insights of history psychology and sociology he investigates the relationships between the individual and society ideology and behavior and thought and action as expressed in the sexual life of these three communities Previously unused manuscript sources on the Oneida Community and Shaker journals and daybooks reveal interesting and sometimes startling information on sexual behavior and attitudes *Upward Mobility and the Common Good*

Bruce Robbins,2009-12-21 We think we know what upward mobility stories are about virtuous striving justly rewarded or unprincipled social climbing regrettably unpunished Either way these stories seem obviously concerned with the self making of self reliant individuals rather than with any collective interest In *Upward Mobility and the Common Good* Bruce Robbins completely overturns these assumptions to expose a hidden tradition of erotic social interdependence at the heart of the literary canon Reinterpreting novels by figures such as Balzac Stendhal Charlotte Bront Dickens Dreiser Wells Doctorow and Ishiguro along with a number of films Robbins shows how deeply the material and erotic desires of upwardly mobile characters are intertwined with the aid they receive from some sort of benefactor or mentor In his view Hannibal Lecter of *The Silence of the Lambs* becomes a key figure of social mobility in our time Robbins argues that passionate and ambiguous relationships like that between Lecter and Clarice Starling carry the upward mobility story far from anyone's simple self interest whether the protagonist's or the mentor's Robbins concludes that upward mobility stories have paradoxically helped

American and European society make the transition from an ethic of individual responsibility to one of collective accountability a shift that made the welfare state possible but that also helps account for society's fascination with cases of sexual abuse and harassment by figures of authority *Klassiker der Kinder- und Jugendliteratur* Bettina Kümmerling-Meibauer, 2017-02-18 Mit diesem Lexikon wird erstmals ein repräsentativer Überblick über ca. 500 klassische Kinder und Jugendbücher aus über 60 Ländern geboten Dabei sind nicht nur die allgemein bekannten westeuropäischen und nordamerikanischen Kinder und Jugendbuchklassiker berücksichtigt sondern ebenso Beispiele aus den übrigen europäischen Regionen Afrika Asien Südamerika und Australien einschließlich der jeweiligen Minoritätensliteraturen

Literaturwissenschaft als Gesellschaftswissenschaft Hans Holzhaider, 1976 **Each Hour Redeem** Daylanne K. English, 2013-03-29 *Each Hour Redeem* advances a major reinterpretation of African American literature from the late eighteenth century to the present by demonstrating how its authors are centrally concerned with racially different experiences of time Daylanne K. English argues that from Phillis Wheatley to Suzan Lori Parks African American writers have depicted distinctive forms of temporality to challenge racial injustices supported by dominant ideas of time The first book to explore the representation of time throughout the African American literary canon *Each Hour Redeem* illuminates how the pervasive and potent tropes of timekeeping provide the basis for an overarching new understanding of the tradition Combining literary historical legal and philosophical approaches *Each Hour Redeem* examines a wide range of genres including poetry fiction drama slave narratives and other forms of nonfiction English shows that much of African American literature is characterized by strategic anachronism the use of prior literary forms to investigate contemporary political realities as seen in Walter Mosley's recent turn to hard-boiled detective fiction By contrast strategic presentism is exemplified in the Black Arts Movement and the Harlem Renaissance and their investment in contemporary political potentialities for example in Langston Hughes and Amiri Baraka's adaptation of the jazz of their eras for poetic form and content Overall the book effectively demonstrates how African American writers have employed multiple and complex conceptions of time not only to trace racial injustice but also to help construct a powerful literary tradition across the centuries The Literature of America and Our Favorite Authors William Wilfred Birdsall, Rufus Matthew Jones, 1898 **Deutsche Vierteljahrsschrift für Literaturwissenschaft und Geistesgeschichte**, 1978 Vols 1-2 include section *Eingesandte Bücher* **Julius, Or, The Street Boy Out West** Horatio Alger, 1874 In a New World, Or, Among the Gold-fields of Australia Horatio Alger (Jr.), 1893 The adventures of two sixteen-year-old Americans Harry Vane and Jack Pendleton as they try to strike it rich in the gold-mining region of nineteenth-century Australia **Slow and Sure, Or, From the Street to the Shop** Horatio Alger (Jr.), 1872 Paul the Peddler a fifteen-year-old boy owns a tie store and financially supports his younger brother and his widowed mother *Ben's Nugget, Or, A Boy's Search for Fortune* Horatio Alger (Jr.), 1882 Ben Stanton ventures to California to seek his fortune in gold *Sam's Chance* Horatio Alger (Jr.), 1876 After trying to defraud his roommate and
