

10 Words to Describe a Rainy Night

A atmospheric photograph of a rainy night in a city. A person is seen from behind, walking away on a wet, reflective street while holding a dark umbrella. The street is lined with buildings; the one on the left has a red facade and lit windows, while the one on the right is darker with some illuminated storefronts. Warm, yellow streetlights are visible, their light reflecting on the wet pavement and creating a hazy, dreamlike atmosphere. The overall color palette is dominated by the warm yellows of the lights and the cool blues and greys of the rain and night.
