body is in formation as it is not completed the forehead nose mouth bones skull brain hands are not yet fully processed The astral hand is in the process of forming The astral substance is condensing preparing for a higher purer life At present it resembles something fluidic liquid like Man is shaped like a cone wider at the top at shoulder level narrower at the bottom This testifies to his descent into the physical world that is the material world **2012 Awakening** Sri Ram Kaa,Kira Raa,2008-11 While doomsayers look to the year 2012 as the end of life authors Kaa and Raa see humanity on the brink of a new horizon Together they have created a guidebook for the soul that can lead to a spiritual awakening and a life based on truth and joy How to Live Your Best Life Maria Hatzistefanis,2021-09-02 It s time to reset adjust and take the power back Having spent over 20 years building her hugely successful beauty empire Maria Hatzistefanis managed to achieve all her childhood dreams and goals She has attended exclusive parties walked on glamorous red carpets and visited beautiful cities Whilst this life of glamour and success is exhilarating Maria is shocked to find that the happiness it brings is fleeting This leads her to realise that her life needs a new focus In this easy to follow guide Maria asks the fundamental question what is happiness Analysing her own experiences failures and fortunes Maria provides clear concise and intuitive strategies to help you tackle your own challenges From aligning your thoughts and actions to detaching your success from achievements Maria shares her practical secrets to mastering your mindset How to Live Your Best Life will equip you with the tools you need to be in control of your own destiny Brimming with good sense great advice and clear tips Maria guides you on your journey to happiness and ultimately success **The Secret of Longevity** Alexandra Bauschat,2021-10-27 You are constantly exposed to high demands which you have to face with energy and strength Without energy you will not be able to cope with the challenges in the long run You feel tired lacking in energy and flabby or you get sick more often and your life feels meaningless You can do something about it Qi Training not only improves your performance but also your attitude towards life having energy in abundance simply makes you happy Instead of reacting to illness you should invest in maintaining your health and consciously prevent it Health prevention and a healthy lifestyle should be your priority With health promotion you will not only gain in your private life but also professionally *Publishers Directory* ,1993 **HEALTH DISCLOSURE** Adam Masters,2013-10 A team of doctors and I figured out how to eliminate pain inflammation obesity disease and cancer to 5 basic elements of health arranged as a pyramid of priorities Pain inflammation and unhealthy weight are simply precursors to disease and obesity arranged in a sequence that begin at the precise point where 1 or more of the 5 imbalances occur All are symptoms of inflammation all are caused by imbalances in the pyramid I call the Matrix Where you are in the Matrix is measured by pH 7 2 being perfect By using the Matrix for anyone for any condition reverses and accelerates recovery past the point of curing to a point of thriving It makes pain inflammation obesity disease medication cancer and for most mental illness irrelevant That pyramid is the fulcrum point from where the sequence of obesity and disease begins You can stop and reverse ill health in its tracks by balancing the 5 elements at any point Blood only becomes alkaline pH 7 0 0 2 absent of

inflammation to sustain life PH is the report card of the 5 elements that make up the Matrix pyramid of patient health The Matrix is the roadmap and the sequence is the path The difference between existing in a hospital bed requiring a walker living with a sore back to thriving can be manipulated by how much you invest in optimizing the 5 elements The easy part is prevention and cure for anyone of any disease Optimization and thriving is where this book wants to take you Profit has no incentive to change since profit is working well for individuals that currently control the system and doctors cant disclose this information without repercussions The trouble with the health care system is that it is driven by profit and not by incentive for cures Trauma care trained doctors are practicing health care and the symptom is sick care Treating symptoms intensifies problems because it ignores the factor of time Health Disclosure is about health care for the 21st century and its about time
