groups and by the creative replacement of an ancient native world by an exclusive establishment of neo European cultural ways More about There and Here There and Here yields a richly textured portrait of early Illinois a place where women and men gave their new towns big names out of hope hubris and maybe even denial The book chronicles locales from Alhambra to Zion including towns like Argyle and Norway which served as the main gateway for immigrants from those locales into Illinois and the rest of the country Segments about the state s seats of power provide useful historical context for the other towns more localized stories Springfield is one of no fewer than six capital cities in Illinois alongside Kaskaskia and Vandalia Springfield s predecessors Cahokia center of the largest pre Columbian civilization in what is today the U S Fort de Chartres the heart of France s Upper Louisiana and Nauvoo the first great Mormon metropolis There s also Metropolis itself home of Superman And Popeye reigns sovereign in Chester There and Here captures times and people full of abnegation conflict and hope the bravery and altruism of the Illinois frontier cannot hide the darker side of the state s history From the town s various histories emerges a picture of ethnic and racial brutality from the violent treatment of tribes to slavery in the southern part of the state and to lynchings in places like Cairo and Paris Author Laurent Pernot an immigrant from France takes a fresh look at his adoptive state unearthing tales and turf unsuspected by most Illinoisans
