Randall House Bible Commentary Romans Randall House Bible Commentary:

The Free Will Baptists J. Matthew Pinson, 2026-01-13 In this scholarly treatment of a lesser known denomination J Matthew Pinson offers a comprehensive history of the Free Will Baptist movement a distinct theological tradition within the larger Baptist family Traversing four centuries of history in his analysis Pinson divides his study into five parts arranged in chronological and geographical order He traces the beginnings of the Free Will Baptists in the Carolinas from the late 1600s the denomination's early expansion across the Southeast the rise and decline of the Northern Freewill Baptists and the identity and development of the Free Will Baptist movement into the twentieth and twenty first centuries The scarcity of archival evidence for the history of Free Will Baptists in the American South makes the chronicling of their history challenging To illustrate the development of ideas within the tradition over time Pinson creatively engages a unique combination of primary source materials including general conference and local church minutes confessional documents and worship materials such as hymnals A scholarly history as accessible as it is comprehensive *The Free Will Baptists A New History* is a valuable resource for students of religious history as well as Baptist historians

Grace for All Clark H. Pinnock, John D. Wagner, 2015-03-31 Did Christ atone for the sins of humanity on the cross Does God desire all people to be saved and direct his grace toward all people for that purpose There are some Christians following a deterministic paradigm who believe this is not true They believe God has predestined some people for heaven and many or even most for hell The rising tide of Calvinism and its TULIP theology needs to be respectfully answered *Grace for All The Arminian Dynamics of Salvation* features a distinguished international panel of scholars to examine this controversy These writers address issues such as election free will grace and assurance They make compelling scriptural arguments for the universality of God's grace contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ This book strives to uncover the biblical position on salvation We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion *Grace for All The Arminian Dynamics of Salvation* is an updated and revised version of *Grace Unlimited* a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College The Contributors David J A Clines Jack
