substantive scope of today's tax treaties. The source documents used have rarely found their way into publications before historical OEEC and OECD Reports and Minutes originally largely classified as restricted and thus inaccessible to the public for decades provide an insight into the drafting process of Art 2 and the discussions of Delegates from various nations on practical implications for treaty application. The book offers a unique perspective on this core treaty provision and aims to provide guidance for determining the taxes covered in any tax treaty. **Changing Times**, 1954 **Business English Handbook** Joan Elizabeth Warner, 1982 **Gale Directory of Databases**, 2007.
