Reference and Information Services Melissa A. Wong, Laura

Saunders, 2020-05-04 This revised and updated sixth edition of *Reference and Information Services* continues the book's rich tradition covering all phases of reference and information services with less emphasis on print and more emphasis on strategies and scenarios. *Reference and Information Services* is the go-to textbook for MSLIS and i School courses on reference services and related topics. It is also a helpful handbook for practitioners. Authors include LIS faculty and professionals who have relevant degrees in their areas and who have published extensively on their topics. The first half of the book provides an overview of reference services and techniques for service provision including the reference interview, ethics instruction, reader's advisory, and services to diverse populations including children. This part of the book establishes a foundation of knowledge on reference service and frames each topic with ethical and social justice perspectives. The second part of the book offers an overview of the information life cycle and dissemination of information followed by an in-depth examination of information sources by type including dictionaries, encyclopedias, indexes, and abstracts, as well as by broad subject areas including government statistics and data, health, and legal information. This second section introduces the tools and resources that reference professionals use to provide the services described in the first half of the text.

Random House Webster's School and Office Thesaurus Joyce O'Connor, 1995. Now in its first trade paperback edition, this easy-to-use thesaurus is light in weight but heavy in information, containing the synonyms and antonyms found in the popular and more costly hardcover editions. Arranged in an alphabetical format, the book is authoritative yet simple to use, offering more than 400 informative synonym studies which make clear distinctions among words with similar meanings.
