Rangers At Roadsend:

Isle of Broken Years Jane Fletcher, 2018-10-16 Catalina de Valasco's parents have her future fully planned. The most important step for a 17th century Spanish noblewoman being of course an advantageous marriage. Unfortunately a series of setbacks has left Catalina unwed. On a galleon bound for the Americas and her latest husband to be Catalina again finds her marriage plans frustrated. Pirates capture the ship and she is held for ransom. The danger intensifies as they sail into seas which one day will become known as The Bermuda Triangle. Catalina enters a terrifying world that she could never have imagined or planned for. Yet of all the surprises awaiting her the most unexpected one is love.

A Fox in Shadow Jane Fletcher, 2022-06-14 Politics in the Kavillian Senate is a dangerous high stakes game and the odds aren't on Cassie's side. As imperial envoy she's tasked with adding a new region to the empire. Normally this is a simple matter for the legions but rivals want Cassie to fail. Without military support success will require all her guile and cunning plus a good dose of luck.

Persuading the local inhabitants won't be easy especially in the case of Arian the king's sister. Arian is ardent about her people's independence and traditions. The land is theirs given by the gods and paid for in blood. She despises both the empire and its envoy and doesn't hesitate to say so. Despite her hostility Arian is troublingly attractive. Yet Cassie is determined to stay on track and ignore any thoughts of seduction. Things are difficult enough without extra complications and that's before the murders start.

A Wolf in Stone Jane Fletcher, 2024-07-09 High level politics in the Kavillian empire is a dirty dangerous game a game Cassie knows well. As a member of an ambitious imperial family she has been tutored from birth to play a leading role in the contest for power. Yet even she is caught out when a murderer raises the stakes. Meanwhile her lover Arian has problems of her own. Life in the upper strata of Kavillian society is so very different from the honor based culture of her homeland. She despises the unending ruthless cycle of intrigue blackmail and deception that Cassie views as normal regrettable sometimes but more often a source of entertainment. Nor can she accept Cassie's willingness to sacrifice everything and everyone to advance her family's position. Arian's determination to stay true to her own moral code will be put to the test if she is to save their relationship and Cassie's life.

Silver Ravens Jane Fletcher, 2020-07-14 The Celts knew it as Annwyn the Otherworld certainly not a destination. IT professional Lori Cooper anticipates when distracting herself with a magazine puzzle page in the dentist's waiting room. Clues buried in the answers lead her to Tamsin who claims to command a band of warriors for the queen of the fay. From this Lori concludes that Tamsin is both insane and dangerous. She's also quite worryingly attractive. However Lori's own sanity becomes a bigger concern when she finds herself held captive in a strange world with yet more puzzles to solve. She must pick her way through layers of illusion and deceit. Nothing and nobody including Tamsin is quite as they seem. Who can Lori trust? She will need to uncover the full truth if she is to return home mind and body intact.
